

Town of East Fremantle - Plympton Ward - Councillor

HARRINGTON, Jenny

Dear Plympton Voters,

I have lived in East Fremantle since 1986. Our children attended Richmond Primary where for six years I was either Vice President or President of the School P&C.

I was first elected as a Councillor for the Woodside Ward; later elected as a Councillor for Plympton during which time I also served as Deputy Mayor.

I am committed to the sympathetic redevelopment of the Royal George Hotel, the Leeuwin Barracks and Woodside Hospital, and a balanced outcome regarding the potential redevelopment of our football oval.

I operate a successful events management business and more recently was appointed as Agricultural Education Executive for the Royal Agricultural Society of WA.

My business experience and comprehensive understanding of community and local government, mean I am well suited to continue my responsibilities as a Councillor.

I am ready for the challenges ahead and ask for your support.

Kind regards,

Jenny Harrington
