PRECINCT
REGENERATION

Community Focus Groups

Aged care provider Hall & Prior is proposing to repurpose the former Woodside Maternity Hospital into a world-class health and aged care precinct.

The Woodside heritage homestead, which has been closed since 2006, will be refurbished to its former glory.

The site is being redeveloped to include high quality care accommodation; a wellness centre, a café, resident recreation areas, and beautiful open spaces that the whole community can enjoy.

For more information about the project visit:
