## **Upcoming Closure of Dog Exercise Park**

The Town is creating a NEW off-lead dog exercise park located at the south-east corner of our Oval Precinct Redevelopment. Works will include re-shaping the sump and removing the fence from around the sump, planting, and installing a dual drinking fountain and bins. As a result of the works, the dog exercise park will close in December and re-open when works are complete. From Oval Precinct Redevelopment HQ, we're very excited to open this new space for you in 2024!
