Group Social Support Activities Program

Neighbourhood Link is happy to offer you the November schedule of activities.

Please let us know if you would like information about any activity or if you would like assistance in making a booking.

This month brings us the Melbourne Cup and for the occasion we will celebrate with lunch and have fun together from the beautiful al fresco area of the Tradewinds Hotel.

The schedule provides two opportunities for you to try your hand at (supported) fishing at Woodman Point and Rockingham – after which, we will have a picnic.

We will visit the WA Maritime Museum Exhibition ‘Fremantle Then & Now’. The exhibition will not involve a lot of walking as an interesting video will be shown from a seated area within the Museum.

A short tour is planned at our visit to the Army Museum of WA.

Several new destinations are scheduled, including Lake Leschenaultia, Alkimos, the Neil Hawkins Park in Joondalup and, in our visit to the Maison Saint-Honoré in Caversham, we can catch a glimpse of the cake production in action!

We look forward to sharing the activities with you. And please remember, your activity suggestions for the schedule are always welcome.

Please note the Activity Program is subject to change on occasion
