This is an Addendum to the 3 year management plan for the Niergarup Track produced for the Town of East Fremantle in August 2020 by APACE WA.

A walk was held at the track on Saturday March 19th 2022 to obtain feedback from the public on the management plan. This was attended by the public, APACE WA and East Fremantle Council.

Following this, the East Fremantle Council have suggested some changes in the plant choices for the winter planting season, including to limit plant heights to 2.5m or less. The updated plant list is provided in Table 1.
