COMMUNITY TRANSPORT

Who says you need to drive?

Find out about our door-to-door Thursday Shopper bus and transport services.

What is Neighbourhood Link?

At Neighbourhood Link, we help people stay active, connected and as independent as possible.

Our free or low-cost support services are funded, in full or part, by government initiatives. And our team can help you in all sorts of ways.

Getting out and about. Running errands and going to the shops. Meeting friends and exploring new places. Enjoying a cuppa, lunch or a daytrip with like-minded people. We're here to help you enjoy life.

Hop aboard the Thursday Shopper Bus

Our Shopper Bus runs every week. It picks you up at your door and takes you to Jandakot Spud Shed and Cockburn Gateway Shopping Centre, then brings you home.

If you can't drive or don't feel confident driving anymore, the Shopper Bus is a fun, social way to stay independent and do all your shopping, without having to rely on family or friends.

Door-to-door transport to our social group

Our Group Social Support team runs a program of fun activities and social events at Tricolore Community Centre.

From coffee mornings, lunches and high teas through to hobby classes and days out, there's something for everyone.

If you'd like to join us, we can arrange door-to-door transport to and from our community centre in East Fremantle.

How much do our support and transport services cost?

If you qualify for the Commonwealth Home Support Program (CHSP), then the CHSP will cover most of the cost of our social support services.*

If you have a Home Care Package (HCP), we may be able to redeem the full cost of our services from your HCP provider.
