VOLUNTEERING

### Got a little spare time?

Make a big difference in your community.  
Volunteer and change lives of local people.

## What is Neighbourhood Link?

**At Neighbourhood Link, we help people stay active and as independent as possible. People who might otherwise feel isolated or alone.**

We connect them. With friends. With social activities. With support services and practical help. With the community and a richer, more enjoyable way of life.

And as a volunteer working with our team at Tricolore Community Centre in East Fremantle or out in the wider community, you'll change lives – in a meaningful way.

### What will you do as a volunteer?

We provide services for people over the age of 65 from Fremantle, Myaree, Coolbellup, Hamilton Hill and everywhere in between.

And we support them in an equally diverse range of ways, which means you can too.

From helping people go to the shops, to taking a group daytrip and enjoying a change of scenery. From stopping by at our centre for a cuppa and a chat, to helping organise fun group activities and events.

### The smiles and laughter say it all.

No matter how you choose to contribute as a volunteer, the difference you make – and the personal relationships you forge – will make a life-changing difference.

### For our clients, but also for you.

It's a unique and personally rewarding way to give something back to the community.

### Make a connection that makes someone's day.

If you can make a regular commitment as a volunteer, the diverse nature of our services means we can create a volunteer role that suits you and your lifestyle.
