1. 7:45am WELCOME

The meeting will be facilitated by the Town of East Fremantle.

2. 7:50am PURPOSE OF THE MEETING

The purpose of this meeting is to run through the twenty-nine proposed priorities, as detailed on the Concept Plan.

It should be noted that as this is a “Master Plan” the finer details of each project, including costs and funding, will be refined individually at a later stage. If you do have any comments on specific items, including costs, please submit them after the meeting – the purpose of this forum is to ensure a consensus on the overall vision for the precinct.

The intended outcome is a group submission to the public comment process.

All users are welcome, and encouraged, to prepare individual public comment submissions in addition to the group submission.
