

Bin Collection Map

Important information:

- Both of your bins are currently collected weekly
- Ensure bins are placed out by 6:00am on collection day and return your bins to your property as soon as possible
- Do not overfill your bin and ensure the lids are closed and waste does not blow out
- Do not place hot ash, liquids, oils, paint, solvents or hazardous materials into your bins
- Store your bins in a shaded area and clean regularly
- Freeze smelly food until bin day to avoid smells and wrap food waste in newspaper to reduce the need to use plastic bags and bin liners.

For queries regarding collection, including confirming your collection day, please contact **08 9339 9339**
