PROJECT BACKGROUND & OBJECTIVE

This Public Realm Style Guide has been commissioned by the Town of East Fremantle to support both the established and future use of George Street in East Fremantle. These guidelines aim to enhance the area's sense of identity and improve experiential quality within the Town. The emphasis focuses on complementing street character and improving pedestrian experience, comfort and amenity.

The purpose of this study is to establish consistent, cohesive design themes and assist the Town to ensure future development proposals contribute to a consistent, high standard of design within the study area.

Public Realm Design Guidelines

Study Area: GEORGE STREET

Species: **Agonis flexuosa**
 Common Name: Peppermint
 Mature Height: 8-10m
 Origin: Western Australia

Large, spreading tree with dense willow-like foliage and a weeping habit. The leaves are pleasantly aromatic. The trunk can develop to a substantial, disproportionate width. Dark grey, furrowed bark. It produces prolific small white flowers in spring and summer.

Species: **Lepidosperma squamatum**
 Common Name: Sword Sedge

Species: **Conostylis candicans**
 Common Name: Grey Cottonheads

Species: **Corymbia ficifolia**
 Common Name: Red Flowering Gum
 Mature Height: 5-10m
 Origin: Western Australia

Widely cultivated medium sized, spreading dense canopied Eucalypt with very dark dull green foliage, which is a good foil for the brilliant display of bright red, orange or pink flowers. Rough brown bark. Large gumnuts are a distinctive feature.

Species: **Orthrosanthus polystachyus**
 Common Name: Morning Iris

Species: **Carpobrotus virescens**
 Common Name: Pig Face

Species: **Eucalyptus cladocalyx**
 Common Name: Sugar Gum
 Mature Height: 25-30m
 Origin: Western Australia

Tall eucalypt with a very open habit at maturity. Pale blotchy gum bark and dark green quite glossy foliage.

Species: **Dianella revoluta 'Variegata'**
 Common Name: Blue Flax Lily

Species: **Eremophila glabra 'Kalbarri Carpet'**
 Common Name: Emu Bush

Species: **Eucalyptus utilis**
 Common Name: Coastal Moort
 Mature Height: 5-10m
 Origin: Western Australia

Small tree (mallet or mallee) with dense, glossy olive green foliage, pale brown/grey smooth bark decorticating to bronze, pinkish-grey or green. Branchlets orange-red, somewhat drooping.

Species: **Patersonia occidentalis**
 Common Name: Native Iris

Species: **Dianella revoluta**
 Common Name: Blue Flax Lily

Species: **Pennisetum setaceum**
 Common Name: Fountain Grass

Species: **Festuca glauca**
 Common Name: Blue Fescue

Species: **Gazania ringens 'Buccaneer'**
 Common Name: Gazania

Species: **Jacaranda mimosifolia**
 Common Name: Jacaranda
 Mature Height: 10-15m
 Origin: South America

Small to medium late-deciduous tree with fine fern-like foliage and masses of blue tecom-shaped flowers in early summer. Papery brown circular flattened pods.

Species: **Ficinia nodosa**
 Common Name: Knobby Club Rush

Species: **Scaevola sericea 'Fandango Erect Early Blue'**
 Common Name: Fan Flower

Species: **Melaleuca quinquenervia**
 Common Name: Broad Leaved Paperbark
 Mature Height: 15-20m
 Origin: Australia

Medium upright broadly columnar paperbark tree with quite coarse foliage and abundant pendulous cream flower spikes during summer. Distinctive and attractive form.

Species: **Scaevola humilis 'Purple Fusion'**
 Common Name: Purple Fusion

Species: **Lepidosperma gladiatum**
 Common Name: Sword Sedge
