

Dog Registration

The Dog Act (1976) states that All Dogs within the State of Western Australia must be registered and microchipped once they have reached the age of 12 weeks.

- All dogs aged three months and over must be registered and microchipped. You must provide a copy of their current National Database Certificate in the owners name.
- Wear both a registration tag and disc showing the owner's name and phone number
- Proof of sterilisation is required to be submitted with your application form (Veterinary Surgeon's certificate is the only proof that can be accepted if applying online.)
- Households in the Town of East Fremantle are limited to two dogs

Dog and Cat Registration Fees

- The registration period is from 1 November to 31 October.
- Registration renewals are forwarded to registered animal owners in October each year.
- 1 year and 3 year animal registrations expire 31 October regardless of the month your animal is registered (any 1 year new annual registrations purchased from the 1 June to 31 October, the fee payable to the Town is half the normal price as the registration will expire on the 31 October of that same year).

	1 Year	3 Years	Lifetime
Non Sterilised	\$50	\$120	\$250
Sterilised	\$20	\$42.50	\$100

Pensioner concession of 50% applies to holders of a current Pensioner Concession card of either a Centrelink or Department of Veteran Affairs "Commonwealth Seniors Card" together with a Seniors Card must be provided to claim concession

Cat Registration

On the **1 November 2013**, the full Cat Act (2011) took effect

- Cats six months and over must be registered
- Cats must be microchipped and sterilised
- Households are limited to 3 cats on their property
- Cats must wear a collar and registration tags at all times in order to ensure that the cat can be easily identified, and owners located
