An inclusive community balancing growth, lifestyle and sustainability!

The Town of East Fremantle is committed to ensuring the best possible services and infrastructure to make our community a better place to live, work and play.

Your annual rates payment contributes to these services and infrastructure, whilst Council retains a focus on aligning with our vision of being an inclusive community balancing growth, lifestyle and sustainability.

This Budget Bulletin provides an overview of our Budget for 2022-2023. A copy of the full budget can be located on our website or contact Town Hall on 9339 9339.

Information provided in this brochure is correct at time of printing and may change without notice anytime during the year.

TOWN of
EAST FREMANTLE

Mayor's Message

Our 2022-2023 Budget delivers on the vision of East Fremantle being "an inclusive community balancing growth, lifestyle and sustainability".

Here are some highlights:

Oval Precinct Redevelopment – With a State Government commitment of \$25 million over the next two financial years (\$13m allocated for 22-23) combined with funds Council has set aside over several years, this redevelopment will deliver first class community and sporting facilities for croquet, lawn bowls and football, as well as many other spaces for the community to enjoy including a skate and basketball zone, playground, café, function room and dog-exercise area.

Sustainability and Our Environment – Council has committed 1.5% of rate revenue to the implementation of the Town's Climate Emergency Action Plan. In addition to this, \$245k has been allocated towards foreshore erosion controls and river wall upgrades and \$130k for our Coastal Hazard Risk Management and Adaptation Planning.

Renewal Works – For the safety of our residents and visitors, major renewal works are planned for footpaths along Canning Highway, Petra Street and George Street.

Gourley Park – Council has committed \$120k for community facilities including a new BMX pump track, a nature play area, a dual-purpose water fountain and BBQ facilities.

Reconciliation Action Plan and Local Planning Scheme – The Town will continue implementation of our Reconciliation Action Plan and develop a new Local Planning Scheme, both of significant importance to all of us.

Wauhop Soccer Facilities – Major renovation works will include the addition of new changerooms, a canteen and new storage facilities, plus the resurfacing of Wauhop Oval.

East Fremantle is a unique community and I would like to thank our CEO, Staff and my fellow Elected Members for their hard work and commitment in delivering this comprehensive Budget.

Jim O'Neill
Mayor
