

FEEL THE LOVE IN EAST FREMANTLE AS YOU DISCOVER THE PERFECT PLACE FOR YOUR WEDDING

One of East Fremantle's unique features is that it's small in size but strong in spirit. You can be close to the city, whilst enjoying the heartfelt hospitality of a small town.

East Fremantle's Bridal Trail highlights the Town's ideal spots for ceremonies and receptions. There is something to suit every taste, from breath-taking water views to dramatic heritage backdrops. As you explore the Town you will unearth your own special places to capture the essence of your day in pre or post nuptial photographs. These hidden gems are scattered throughout East Fremantle, from gorgeous George Street down to the river's beaches and banks.

The Town of East Fremantle & local businesses, look forwarding to extending a warm welcome. It is suggested that you start the Trail either at The Tradewinds Hotel (head anti-clockwise) or The Left Bank (head clockwise) – there is free parking nearby at the Town Hall (off Council Place). The Trail is 7km long, a 1.5hr walk (if you don't stop anywhere!), but for the Bridal Trail Open Day there will be free transport available on the two longer stretches, simply hop aboard a limo, kombi or trike.
