

FEEL THE LOVE IN EAST FREMANTLE AS YOU DISCOVER THE PERFECT PLACE FOR YOUR WEDDING

One of East Fremantle's unique features is that it's small in size but strong in spirit. You can be close to the city, whilst enjoying the heartfelt hospitality of a small town.

East Fremantle's Bridal Trail highlights the Town's ideal spots for ceremonies and receptions. There is something to suit every taste, from breath-taking water views to dramatic heritage backdrops. As you explore the Town you will unearth your own special places to capture the essence of your day in pre or post nuptial photographs. These hidden gems are scattered throughout East Fremantle, from gorgeous George Street down to the river's beaches and banks.

The Town of East Fremantle & local businesses extend a warm welcome to anyone looking for the perfect place to share a special day, whilst this is our "bridal" trail, local venues and services are available for "weddings, parties, anything"!

The trail is a 7km | 1.5hr walk (without stopping to check places out or enjoy a little refreshment), please note whilst a lot of it is flat there are a couple of hills to conquer! Alternatively, it's a beautiful drive.
