

### **Amendment to 2022/23 Schedule of Fees and Charges**

Pursuant to s6.16 of the *Local Government Act*, Council, at its ordinary Meeting of 18 October, resolved to include a charging fee of 44 cents per kWh at the Town's Electric Vehicle Charging Station located in the Town Hall carpark to the Town's Schedule of Fees and Charges for 2022/23.

The effective date for this increase will be 1 January 2023.
