Comments/Feedback about the *Draft Vision Report*

Please note: Personal details as filled out in the form will not be made publicly available or reported to Council. However, should an author identify themselves in the content of their submission statement, the submission statement in full including these details may be reported to Council and would therefore be on public record. Contact information collected will be included on the Town's data base and may be used to communicate with you in regard to the Town's business, such as rates, debts, complaints, for sending you updates on the activities of a particular service, conducting surveys for ongoing research and development of our services and to administer contact lists.
