

7 October 2022

**Dear Resident**

**Temporary Road Closure - East Fremantle's George Street Festival 2022**

On Sunday 4 December 2022 from 6.00am to 9.00pm, George Street (between East Street and Duke Street) will be closed to all vehicle traffic for the East Fremantle's George Street Festival.

Residents and visitors are asked to please ensure that all vehicles are removed from George Street, side streets and from private driveways by 6.00am Sunday. To maintain the safety of festival staff, suppliers and patrons, once set up commences no vehicles are able to move from private driveways and properties until the road is opened again at 9.00pm. Should you anticipate that you will require your vehicle on Sunday, it is recommended to park on an adjoining street prior to 6.00am Sunday morning.

Please be aware that any unauthorised vehicles remaining on George Street within the event site after 6.00am, may need to be towed if directly impacting on the event. There will be temporary fencing and 'No Parking' signage placed along George Street and side streets from 3.00pm Saturday 3 December.

On the day of the festival, to minimize disruption to local residents and people passing through East Fremantle, traffic will continue to flow on both East Street and Duke Street.

Whether you are a local resident or local business operator, I encourage you to attend the festival and enjoy the celebrations. Details are available on the Town's website at [eastfremantle.wa.gov.au](http://eastfremantle.wa.gov.au)

If you have any queries regarding the George Street closure for the festival or would like more information about this year's event, please contact the Town's Community Engagement Officer, Carly Filbey, on 9339 9339 or via email [events@eastfremantle.wa.gov.au](mailto:events@eastfremantle.wa.gov.au).

Yours sincerely

**Gary Tuffin**

Chief Executive Officer
