

SCHOOL PARKING

Parking Concerns in School Areas

As it is not practical for schools to provide enough parking for everyone, it is the driver's responsibility to park their cars legally and to help ease parking issues and keep the school students safe.

Safety Concerns in and Around Schools

- Speeding motorists
- Park/stop on footpaths
- Park/stop across driveways
- Park/stop on median strips (including flush medians)
- Disregard of parking signage
- Park/stop in 2 minute Kiss 'n' Ride Zone

What Can Parents Do?

- Always be aware of children;
- Walk or cycle to school to drop off or collect children;
- Try and use nearby parking facilities such as reserves, adjacent street parking or walk a short distance;
- Plan your trip so you arrive on the school side of the road;
- Try to arrive before peak pick up times;
- Avoid leaving your vehicle for long periods; and
- Form a Road Wise committee (contact your Principal and P&C).

What Can Teachers Do?

- Educate students about procedures around the school precinct; and
- Encourage children to educate their parents or carers about what they should and shouldn't do when parking near the school.

Warning Signs

Signage indicating that children are near and 40km/hour school speed zone signs are the responsibility of Main Roads WA and requests for additional signs or reports of damage to signs should be directed to them on 9323 4111 or 1800 800 009.

KISS and DRIVE zones typically allow parents to pick up and drop off at areas adjacent to the main school entrance

Prohibition Signs

Parking prohibitions are imposed to regulate and modify parking patterns. Their main function is to ensure that potential vehicle/pedestrian conflicts are eliminated.

A vehicle cannot stop to set down or pick up passengers.

A vehicle may be stopped, and immediately drop off or pick up a passenger or goods. The driver must remain with the vehicle.

Children warning and 40km/hour school speed zone signs are the responsibility of Main Roads WA.

School Statutory No Stopping Areas

Statutory No Stopping areas also occur under the provisions of the Road Traffic Code. These areas may or may not be sign posted. For example it is an offence to stop or park a vehicle:

- Within three metres of a double barrier white line;
- Within ten metres of an intersection; or
- Within nine metres of a traffic island.

Penalties and Fines

Please be aware that penalties may apply for:

- Parking/stopping on a NO STOPPING area (stopping on a road during the prohibited period);
- Stopping/parking on the footpath;
- Parking in a NO PARKING area;
- Double parking;
- Parking/stopping on a nature strip (verge) without the owner's consent;
- Parking/stopping such that the vehicle causes obstruction in a public place;
- Parking facing the wrong way against traffic flow;
- Parking/stopping on a median strip;
- Parking/stopping contrary to signage; or
- Parking/stopping in 2 minute Kiss 'n' Ride Zone.
