Welcome Makuru, Season of Fertility

Makuru sees the coldest and wettest time of the year come into full swing. Traditionally, as the waterways and catchments started to fill, people were able to move about their country with ease, thus their food sources changed from sea, estuarine and lake foods to those of the lands. Makuru is also a time for a lot of animals to be pairing up in preparation for breeding in the coming season. If you look carefully, you might now see pairs of 'Wardongs' (ravens) flying together.

Be a Voice for Generations Reconciliation Week 2023

Kaya! The Town celebrated the commencement of Reconciliation Week 2023 with Town staff attending the Reconciliation Week Virtual Breakfast along with thousands of others from around Western Australia.

Staff from the Town's Administration and Technical Services gathered to enjoy the Virtual Breakfast presentation on the screen in Council Chambers where they learnt about the shared histories and achievements and reflected on how each of us can contribute to achieving reconciliation in Australia.

This year's Reconciliation Week theme, "Be a Voice for Generations" encourages all Australians to be a voice for reconciliation in tangible ways in our everyday lives – where we live, work and socialise. For the work of generations past, and the benefit of generations future, act today for a more just, equitable and reconciled country for all.
