Enrolment status

COLLINSON, Cliff is eligible to stand for election as a resident of the Town of East Fremantle.

I have lived in East Fremantle for 38 years and in that time I have grown to love the town and many of its people. I am a strong believer in communities and believe that Council has a very important role to support the community.

It has been a great privilege to serve the community I love as a Councillor. I believe that I have demonstrated this by leading the anti amalgamation campaign when our town's existence was under threat.

As a Councillor I have always worked hard to ensure Council was doing its best to make the community a better place. I have always stood up to protect our unique heritage as well as economic and environmental sustainability.

If I am re-elected I will continue to contribute to a cohesive and effective Council that continues to improve parks, playgrounds and the river foreshore.
