With roots deep in East Fremantle from 1986, I've cherished living here with my husband and our three adult children. A 12-year veteran on Council with 4 years as Deputy Mayor, I'm excited to offer my seasoned leadership again.

Town Planning is at a crucial juncture with significant projects on the horizon. I commit to being an informed resolute voice our residents so deserve, ensuring developments harmonise with our community's vision.

Let's not forget The Oval Project. Promises were made, and I want to ensure they're fulfilled.

Our town's lush green beauty isn't just an attraction, it's our identity. I aim to champion a practical tree policy, a harmonious blend of preservation and progress.

With a background in events management, orchestrating major corporate and govt events, I bring a unique skill set to enhance our community arts and engagements.

I'm eager to infuse a passionate and empowered female perspective to the Council. Together let's shape East Fremantle's promising future.
