

MINUTES

Council Meeting Tuesday, 15 October 2024 at 6:30 PM

Disclaimer

Whilst Council has the power to resolve such items and may in fact, appear to have done so at the meeting, no person should rely on or act on the basis of such decision or on any advice or information provided by a member or officer, or on the content of any discussion occurring, during the course of the meeting.

Persons should be aware that the provisions of the Local Government Act 1995 (section 5.25 I) establish procedures for revocation or rescission of a Council decision. No person should rely on the decisions made by Council until formal advice of the Council decision is received by that person.

The Town of East Fremantle expressly disclaims liability for any loss or damage suffered by any person as a result of relying on or acting on the basis of any resolution of Council, or any advice or information provided by a member or officer, or the content of any discussion occurring, during the course of the Council meeting.

MINUTES

MINUTES OF THE ORDINARY MEETING OF COUNCIL HELD IN THE COUNCIL CHAMBER, 135 CANNING HIGHWAY EAST FREMANTLE ON TUESDAY, 15 OCTOBER 2024.

1 OFFICIAL OPENING

The Presiding Member opened the meeting at 6.30pm.

2 ACKNOWLEDGEMENT OF COUNTRY

"On behalf of the Council I would like to acknowledge the Whadjuk Nyoongar people as the traditional custodians of the land on which this meeting is taking place and pay my respects to Elders past, present and emerging."

3 ANNOUNCEMENT TO GALLERY

"Members of the gallery are advised that no Council decision from tonight's meeting will be communicated or implemented until 12 noon on the first clear working day after this meeting, unless Council, by resolution carried at this meeting, requested the CEO to take immediate action to implement the decision."

4 RECORD OF ATTENDANCE

4.1 ATTENDANCE

The following members were in attendance:

Mayor J O'Neill	Presiding Member
Cr C Collinson	
Cr K Donovan	
Cr J Harrington	
Cr L Maywood	
Cr A Natale	
Cr A White	
Cr M Wilson	

The following staff were in attendance:

Mr J Throssell	Chief Executive Officer (CEO)
Mr A Malone	Executive Manager Regulatory Services (EMRS)
Mr P Kocian	Executive Manager Corporate Services (EMCS)
Ms J May	Minute Secretary

There were no members of the public in attendance.

6 PUBLIC QUESTION TIME

6.1 RESPONSES TO PREVIOUS QUESTIONS FROM MEMBERS OF THE PUBLIC TAKEN ON NOTICE

6.1.1 D GASPAR, PRESTON POINT ROAD – EAST FREMANTLE COMMUNITY PARK

Question 1

In the space of one month, EFFC revenue, without playing one game at the facility, has a budgeted increase of by 75% !! How is this possible "with no change to assumptions"? Please explain.

Council has formally approved the budget submitted by Belgravia Leisure with their original tender and then subsequently approved a revised budget that was submitted by Belgravia on the 15 April 2024. Whilst these budgets have been adopted, Belgravia has been requested to model different scenarios based on different assumptions, and re-forecast trading figures. This is an integral component of financial planning; forecast financial statements are updated as assumptions change (new information comes to hand) or sensitivity analysis is undertaken based on differing assumptions.

The original budget submitted by Belgravia assumed match day revenue of \$168,000 with yearly attendance of 56,000 and an average spend per person of \$10, assuming that 30% of attendees consume food and beverage. These assumptions were untested, in terms of total attendances and average spend per person. Thus, the budget was an estimate only, and it was always understood that this would be updated based on either actual results, or more robust assumptions.

Given that there are no actual results to re-forecast this budget (as EFFC has yet to be granted occupancy), Belgravia were requested to undertake some modelling based on information that was provided by Addy Wetzler, CEO of EFFC. Addy advised the Town (in an email dated 9 July 2024) that the EFFC has undertaken their own financial modelling, and as a minimum, they have used an average spend per person of \$15.74 attributed to match day crowds (based on empirical evidence at other WAFL clubs). Whilst Belgravia have not updated their Budget, one of the scenarios they looked at applied the following assumptions:

- 11 home matches
- Per person spend of \$15.74
- Variable crowd attendances

This is how the higher figure of club revenue was derived (based on EFFCs own assumptions).

Question 2

Where is the dividend to ratepayers that was outlined in your cashflows?

Council approved a five year budget submitted by Belgravia with their original tender. The approved budget for the initial period ended 30 June 2025 does not forecast a net profit (the subsidy to be funded within the Town's 2024/25 budget); however, budgets for subsequent periods do forecast a net profit. The performance benchmark for 2025/26 will be set by Council as part of the Annual Business Planning process with Belgravia Leisure and will be formally adopted by Council in March/April next year. This benchmark will be based on the most recent trading figures and will be adjusted based on a refinement of underlying assumptions.

The Town's Long Term Financial Plan, which was adopted by Council in June 2024 and is available on the Town's website, assumes that the operations of the East Fremantle Community Park are self sufficient (see disclosure/assumption against Commercial Activities on page 8) with the profit from trading being adequate to cover an annual sinking fund contribution of \$275,000 from 2025/26 onwards. It does further state that the cash flows from the operations of East Fremantle Community Park will be assessed following year 1 of operations and the Plan updated. The Town is optimistic that the facility can derive an even greater profit over time which will then partially offset the loan repayments associated with the facility.

The Town has published a Revenue Strategy, which is also available on the website, that details a stable rates pricing pathway should all things remain equal. Thus, the Town does not anticipate any pressure on future rates pricing attributable to the operations of East Fremantle Community Park.

Question 3

How does the council reconcile its comments about the community outcomes, with the actual evidence of failure, for these members of the community?

The Town does not accept the premise of your question that there has been failure.

The East Fremantle Community Park was built for the entire community. We have received feedback from the community that the facility offers a substantial community benefit which has been embraced by many community groups and community members. The many users of the facility, being those attending the B-active gym, the playground, the skate zone, Carnaby's Restaurant and Café as well as the dog park attest to the success of this community facility.

There is one group that has not yet commenced its tenancy in the facility - the EFFC. The Town's objective is for the Club to be located there as soon as possible. We acknowledge that this is taking some time, however we will continue to negotiate with EFFC regarding the sublease and licence agreements to enable the Club to move in and be financially sustainable.

At a Special Council Meeting held on 5 September 2023 the Town considered the Business Plan for the East Fremantle Community Park. The Business Plan outlined:

- proposed services and future management arrangements for the precinct;
- adherence to the Town's Community Plan; and
- information about the Town's ability to manage the project.

This Plan was based on the findings of a detailed Business Plan and Operational Feasibility. The East Fremantle Oval Precinct Facility Operator plan was advertised for a six (6) week period between June and August 2023. The Town widely advertised the Plan on its home page, newspaper adverts were run every week (alternating between the Fremantle Herald and Perth Now) and the Town provided social media posts about the Plan. A total of four (4) submissions were received, none of which identified any concerns with the proposed uses or facilities provided.

10 ANNOUNCEMENTS BY THE PRESIDING MEMBER

10.1 ANDREW MALONE

It is with a lot of sadness that I recognise this will be Mr Andrew Malone's last Ordinary Council Meeting. After nearly a decade as the Executive Manager of Regulatory Services he leaves us to take up the position as the CEO of the Shire of Tammin.

Mr Malone has guided the Town and elected members through a myriad of town planning issues. Much of that has been proactive, with numerous Scheme Amendments, Scheme and Development guidelines for urban design to tree and urban canopy, Heritage Lists, as well as planning issues with the Royal George, The Entrance and Woodside Hospital.

Mr Malone has great professional talent, interpersonal and mentoring skills which were often recognised by both applicants and those opposing the developments.

Andrew is a dedicated professional with a keen sense of humour and the ability to display leadership, tolerance, patience and consensus which has resulted in the Town having an enviable town planning reputation in local government. It was not always that way.

He was our acting CEO during the crucial months of the EFCP and worked tirelessly to deliver a fantastic building outcome in an extremely volatile construction environment.

Andrew truly leaves a great legacy in our Town in so many areas and we all wish him well in Tammin.

10.2 FREMANTLE CITY FOOTBALL CLUB

On the 27 September, the CEO and I attended the Fremantle City Football Club Gala Night. It was a great night and I thank the President Tony Estrano and members for the warm welcome and positive acknowledgement of the Town.

10.3 EAST FREMANTLE LIONS CLUB

On 2 October the CEO and I met with the East Fremantle Lions Club and discussed the great work they do and any assistance we could give them. They were a recipient in our grant scheme.

10.4 EAST FREMANTLE CROQUET CLUB

On Saturday 5 October I opened 2024/25 East Fremantle Croquet Club season and whilst not as skilful as the Deputy Mayor Cr Tony Natale, I did manage a croquet ball through the hoop. A great welcome by the club and its members.

10.5 EAST FREMANTLE BOWLING CLUB

On Sunday 6 October I opened the East Fremantle Bowling Club 2024/25 Season at the East Fremantle Community Park. And I must say my first bowl was very well received. Their hospitality, sense of humour and warm atmosphere was most appreciated

10.6 WALGA ANNUAL GENERAL MEETING

On Wednesday 9 October with Cr Natale I attended the WAGA AGM.

10.7 FREMANTLE CHAMBER OF COMMERCE

On Thursday 10 October I attended the Fremantle Chamber of Commerce Awards night.

10.8 EAST FREMANTLE LAWN TENNIS CLUB

On Saturday 12 October I attended the opening of the 2024/25 season of that great club we have in our Town down near the river, East Fremantle Lawn Tennis Club. The Club is going splendidly, they are finalising the lights on the western hard courts which they hope to be in by this Christmas.

10.9 MR ROBERTO LO PRESTI

On the 27 September I attended the Funeral Mass for Mr Roberto Lo Presti. On behalf of the Town our deepest condolences to the families and friends.

2. Photos
3. Plan
4. Heritage Place Record

PURPOSE

The purpose of this report is for Council to consider a development application (DA P082/24) for a change of use for short term rental accommodation at 53 (Lot 2) Canning Highway, East Fremantle.

EXECUTIVE SUMMARY

The applicant is seeking Council approval for the operation of short term accommodation at a heritage listed single storey dwelling (Category B) that is located within a mixed use zone. The accommodation would operate from a previously approved single storey ancillary dwelling with kitchen, bathroom, and toilet located in a stand-alone structure at the rear of the existing residential building. Short term rental accommodation is an unlisted use within the Town's Local Planning Scheme No 3 (LPS3) and as such requires the approval of Council. It is noted that the regulations around hosted STRA are changing such that a development application will not be required.

It is considered that the proposal can be supported subject to conditions included in the final recommendation.

BACKGROUND

Zoning	Mixed Use
Site area	433m ²
Heritage	Category B (Local Planning Scheme No 3 Heritage List)
Fremantle Port Buffer	Yes but no physical development so no requirements imposed
Previous Decisions of Town and/or History of Issue	P019/23 – development application for carport and bedroom - withdrawn 30 May 2023 P046/23 – development approval subsequent to development for alterations and additions – 5 September 2023

CONSULTATIONAdvertising

Advertising was undertaken with the surrounding properties from 3 September to 19 September 2024 in accordance with the attached Location and Advertising Plan. Two submissions were received.

Submission	Applicant Response	Town Response
<u>Submission 1</u> I support this short term accommodation use at the rear studio at 53 Canning Highway.	Applicant provided signed plans supporting the proposal from the submitter.	Noted

<u>Submission 2</u> I have no objection of short term accommodation being run at 53 Canning Highway.	Applicant provided signed plans supporting the proposal from the submitter.	Noted

STRATEGIC IMPLICATIONS

The Town of East Fremantle Strategic Community Plan 2020-2030 states as follows:

Built Environment

Accessible, well planned built landscapes which are in balance with the Town's unique heritage and open spaces.

3.1 Facilitates sustainable growth with housing options to meet future community needs.

3.1.1 Advocate for a desirable planning and community outcome for all major strategic development sites.

3.1.2 Plan for a mix of inclusive diversified housing options.

3.1.3 Plan for improved streetscapes.

3.2 Maintaining and enhancing the Town's character.

3.2.1 Ensure appropriate planning policies to protect the Town's existing built form.

3.3 Plan and maintain the Town's assets to ensure they are accessible, inviting and well connected.

3.3.1 Continue to improve asset management within resource capabilities.

3.3.2 Plan and advocate for improved access and connectivity.

RISK IMPLICATIONS**RISKS**

Risk	Risk Likelihood (based on history & with existing controls)	Risk Impact / Consequence	Risk Rating (Prior to Treatment or Control)	Principal Risk Theme	Risk Action Plan (Controls or Treatment proposed)
That Council does not approve the proposed development, and the decision is appealed to SAT	Unlikely (2)	Minor (2)	Low (1-4)	COMPLIANCE Minor regulatory or statutory impact	Accept Officer Recommendation

RISK MATRIX

Consequence Likelihood		Insignificant	Minor	Moderate	Major	Extreme
		1	2	3	4	5
Almost Certain	5	Moderate (5)	High (10)	High (15)	Extreme (20)	Extreme (25)
Likely	4	Low (4)	Moderate (8)	High (12)	High (16)	Extreme (20)
Possible	3	Low (3)	Moderate (6)	Moderate (9)	High (12)	High (15)
Unlikely	2	Low (2)	Low (4)	Moderate (6)	Moderate (8)	High (10)
Rare	1	Low (1)	Low (2)	Low (3)	Low (4)	Moderate (5)

A risk is often specified in terms of an event or circumstance and the consequences that may flow from it. An effect may be positive, negative or a deviation from the expected and may be related to the following objectives: occupational health and safety, financial, service interruption, compliance, reputation and environment. A risk matrix has been prepared and a risk rating is provided below. Any items with a risk rating over 16 will be added to the Risk Register, and any item with a risk rating over 16 will require a specific risk treatment plan to be developed.

RISK RATING

Risk Rating	4
Does this item need to be added to the Town's Risk Register	No
Is a Risk Treatment Plan Required	No

SITE INSPECTION

An external site visit was undertaken by the author.

COMMENT

Statutory Assessment

The applicant/owner is seeking Council approval for the operation of short term rental accommodation at 53 (Lot 2) Canning Highway East Fremantle. The accommodation would operate from a previously approved single storey ancillary dwelling at the rear of a Category B heritage listed dwelling. The site is within a mixed use zone. The applicant/owner lives in the main building at the front of the site and operates the accommodation.

The applicant/owner of the residence intends to continue to reside at the front section of the dwelling while guests stay in the studio at the rear. The studio is fully equipped for short term accommodation with a kitchenette, bathroom, toilet, and double bed.

The heritage status of the property should not be seen as an obstacle to the change of use to short term accommodation. By approving the rear studio for use as short term accommodation it allows the heritage nature of the site and the surrounding area to be enjoyed by visitors. The ancillary dwelling at the rear of the site has no heritage significance and does not impact on the original dwelling at the front of the site.

The State Government has created a new regulatory framework for STRA which is set to be introduced in full by 2025-2026. Under this new regime hosted STRA does not require development approval, but all STRA must be registered to operate with Department of Energy, Mining, Industry Regulation and Safety (DEMIRS). By 1 January 2025 it will be mandatory for STRA operators to have registered their accommodation with DEMIRS. It is noted that the regulations around hosted STRA are changing such that a development application will not be required.

The proposal has been assessed against provisions of the Town's Local Planning Scheme No 3 (LPS3) and the *Planning and Development (Local Planning Schemes) Regulations 2015* as well as the relevant sections of the Department of Planning Lands and Heritage's *Position Statement – Planning for Tourism*.

STRA is an unlisted use within LPS3 and as such requires the approval of Council. Council does not have any specific policies or local laws that regulate STRA. The proposed STRA is an “unlisted use” within a residential zone according to LPS3, however, local government may “determine that the use is consistent with the objectives and purposes of the particular zone and is therefore permitted” (clause 4.4.2a of LPS3).

The application has been assessed with regard to the impact that the use could have on surrounding neighbours and conditions imposed accordingly. It is recognised that some of the requirements that are part of this assessment will become irrelevant once the full extent of State government regulations are implemented and amendments are made to the Town’s local planning scheme.

Section 67 of the *Planning and Development (Local Planning Schemes) Regulations 2015* refers to matters to be considered by local government. In the words of the regulations;

In considering an application for development approval the local government is to have due regard to the following matters to the extent that, in the opinion of the local government, those matters are relevant to the development the subject of the application —

- (a) *the aims and provisions of this Scheme and any other local planning scheme operating within the Scheme area;*
- (n) *the amenity of the locality including the following- (ii) the character of the locality;*
- (r) *the suitability of the land for the development taking into account the possible risk to human health or safety;*
- (s) *the adequacy of — (i) the proposed means of access to and egress from the site; and (ii) arrangements for the loading, unloading, manoeuvring and parking of vehicles;*
- (t) *the amount of traffic likely to be generated by the development, particularly in relation to the capacity of the road system in the locality and the probable effect on traffic flow and safety;*
- (v) *the potential loss of any community service or benefit resulting from the development other than potential loss that may result from economic competition between new and existing businesses;*
- (x) *the impact of the development on the community as a whole notwithstanding the impact of the development on particular individuals;*
- (y) *any submissions received on the application;*
- (zb) *any other planning consideration the local government considers appropriate.*

The proposed short term accommodation will be carried out in the Mixed Use Zone as defined by LPS3. The aims of the Mixed Use zone include;

- To provide for a limited range of commercial, civic and community facilities to meet the day to day needs of the community, but which will not prejudice the amenities of the neighbourhood;
- To ensure future development within each of the Mixed Use Zones is sympathetic with the desired future character of each area, and that a significant residential component is retained as part of any new development;
- To promote the coordination of development within each of the Mixed Use Zones and to facilitate the safe and convenient movement of pedestrians to and within the area;
- To ensure the location and design of vehicular access and parking facilities do not detract from the amenities of the area or the integrity of the streetscape

It is noted that the proposed STRA will operate from a site that is adjacent to Canning Highway and in close proximity to the Trade Winds Hotel. It is close to public transport and high quality pedestrian footpaths to the surrounding area and within 280m of the George Street commercial precinct. There are no further physical changes to the existing building on site or the streetscape as a result of the operation of the proposed STRA.

It is noted that the ancillary dwelling that is to be used for the short term accommodation was the subject of a prolonged dispute between the neighbouring properties at 53 and 49 Canning Highway as a result of the discovery and rectification of the encroachment of the ancillary dwelling at 53 Canning Highway inside the boundaries of 49 Canning Highway. This matter has been resolved in terms of removing the parts of the ancillary dwelling that encroached into 49 Canning Highway and has no bearing on the development application for the change of use for STRA.

The following issues are relevant to the determination of this application:

- impact on residential amenity;
- number of people accommodated and number of bedrooms for accommodation purposes;
- adequacy of car parking; and
- management of the property.

Although the Tradewinds Hotel is operating on a site opposite this proposed short term accommodation, the product that is being offered is very different. The hotel has accommodation, restaurant and bar facilities operating on site, whereas this proposal involves accommodation only.

There are already many properties that have successfully applied for approval from Council to operate short term accommodation in the Plympton Precinct and East Fremantle.

Short term accommodation potentially has minimal impacts on the amenity of surrounding properties if matters including car parking, signage and noise, are well managed.

Management Plan

The applicant provided a management plan that describes the processes related to the operation of the proposed STRA. The Town will require the owner of the business to explain key elements of the management plan including;

- (i) that suitable parking is not available on site and that public transport is located nearby on Canning Highway
- (ii) emergency evacuation procedures
- (iii) reminder that the premises are surrounded by residential dwellings and that noise is to be kept to a minimum
- (iv) waste is to be collected in the Town provided rubbish bins.

Car Parking

As short term accommodation is an unlisted use there are no specified parking standards. Although parking can be at a premium along Hubble Street which is accessible from the subject site, the property currently has a single parking bay but not for the use of STRA guests, and a previous development application for alterations and additions was approved without the requirement for onsite parking.

The property is located within Plympton precinct, which was originally established in an era when cars were not the predominant mode of transport. The Town's own local planning policy, the Residential Design Guidelines, states that street parking is an acceptable development outcome for existing dwellings where it is not provided on site.

In line with the Residential Design Codes reduced parking provision is an acceptable outcome if proposed development occurs in close proximity to major public transport routes. In this case the property is located on Canning Highway which has high frequency bus services provided by Transperth. Guests may choose to utilise public transport and therefore will not require car parking. Alternatively, if they have a car then there is on street parking located along Hubble Street. It is stated on the management plan that guests will be informed that there is no off street parking and bus stops are located a short walk from the premises. A condition will be recommended that car parking is not reserved, but available on the street and users are not to park on the verge.

Signage

It is essential that issues that impact on the amenity of surrounding residents are mitigated, including matters such as excessive signage and advertising, which can create visual pollution. No signage is referred to in the development application. As such any requirement for signage should be addressed by the applicant through a separate development application at a later date. This is stated as a condition in the final recommendation.

Noise

Noise is a legitimate concern for surrounding residents of the proposed short term accommodation. It is considered that the day to day operations of the short term accommodation should not exceed normal household levels and the presence of the applicant/owner at the property while the rear studio is being used as short term accommodation

will increase the likelihood that guests will not become too noisy. It is a requirement that all short term accommodation submit a management plan which outlines how the operator will manage noise. In this case it is stated that noise is to be kept to a minimum from 10am to 7am. If there is a problem with noise it can be addressed initially by the operator. A condition will be recommended that requires the operator to make guests aware of the key elements of the Management Plan including noise.

It has to be recognised that the proposed short term accommodation is being operated from a site that is adjacent to the Tradewinds Hotel and other businesses operating along Canning Highway and George Street, as well being in close proximity to Fremantle Harbour. Noise, light, vehicle traffic, and odour are produced from these uses which can have an impact on surrounding properties, but also may be in excess of the noise produced by the subject site operating STRA.

Additional Conditions

Conditions relating to both residual current devices (RCD) and smoke alarms are included as part of the final recommendation to increase the level of safety for future guests at the STRA.

Time Limit for Approval

A time limit of 12 months will be recommended as a condition of approval. However, this will fall away as a result of future state government regulation not requiring development approval to be sought as part of the operation of STRA.

CONCLUSION

Based on information supplied by the applicant the change of use for STRA at 53 (Lot 2) Canning Highway can be supported subject to the conditions of development approval.

It is noted that there are multiple properties within residential zones in East Fremantle that are currently approved for use as STRA. This proposal is no different to these and represents a relatively low risk proposal based on the information supplied by the applicant.

It will have minimal impact on the amenity of the nearby neighbourhood providing the management plan is adhered to and matters considered in this report are addressed by way of the recommended conditions of development approval.

Based on the preceding assessment approval to operate the STRA can be supported subject to the conditions included in the final recommendation.

13.1 OFFICER RECOMMENDATION / COUNCIL RESOLUTION

Council Resolution 011510

OFFICER RECOMMENDATION:

Moved Cr Collinson, seconded Cr Donovan

That Council grants development approval for the change of use to operate short term rental accommodation at No. 53 (Lot 2) Canning Highway, East Fremantle, in accordance with correspondence and plans received on 26 August 2024, subject to the following conditions:

- (1) The maximum permitted accommodation is two (2) people.
- (2) Hard wired smoke alarms as required by the National Construction Code are to be installed and proof of the instalment is to be provided to the Town to the satisfaction of the Chief Executive Officer and prior to the short term accommodation commencing operations.
- (3) Residual current devices are to be provided to all power points and lights switches within the short term rental accommodation and proof of installation is to be provided to the satisfaction of the Chief Executive Officer and prior to the short term accommodation commencing operations.
- (4) No occupants' vehicles are to be parked on the Council verge. On-street parking is subject to availability, but not reserved.
- (5) The operator of the business is to advise guests of key elements of the management plan including;
 - (i) that suitable parking is not available on site and that public transport is located nearby on Canning Highway,
 - (ii) the emergency evacuation procedures,
 - (iii) that the premises are surrounded by residential dwellings and that noise is to be kept to a minimum after 10.30pm and before 7am,
 - (iv) waste is to be disposed of in the Town provided rubbish bins.
- (6) Approval is for a temporary period of 12 months only from the date of this approval (subject to changes in State government planning regulations for short term rental accommodation).
- (7) The approval may be revoked by Council, prior to the expiry of the 12 month period referred to in (6) above, if any adverse impacts involving noise, anti-social behaviour, waste removal, security or parking are unable to be controlled by the applicant/owner or their representative in a timely and effective manner and which is to Council's satisfaction.
- (8) This planning approval does not include any planning approval for signage or advertising. A separate development application is to be made for signage and advertising.

Footnote:

The following are not conditions but notes of advice to the applicant/owner:

- (a) *This decision does not include acknowledgement or approval of any unauthorised development which may be on the site.*
- (b) *A copy of the approved plans as stamped by Council are attached.*
- (c) *An annual renewal fee is required to be paid prior to the expiry date to enable continuation of the short term rental accommodation (subject to changes in State government regulations).*
- (d) *The applicant is to ensure that the short term rental accommodation is registered with the State government and complies with relevant State government regulations.*

PLACE RECORD FORM

PRECINCT	Plympton
ADDRESS	53 Canning Highway
PROPERTY NAME	N/A
LOT NO	Lot 532
PLACE TYPE	Residence
CONSTRUCTION DATE	C 1898
ARCHITECTURAL STYLE	Federation Bungalow
USE/S	Original Use: Residence/ Current Use: Residence
STATE REGISTER	N/A
OTHER LISTINGS	N/A
MANAGEMENT CATEGORY	Category B
PHYSICAL DESCRIPTION	<p>No 53 Canning Highway is a single storey house in rendered masonry with a hipped tiled roof. It is a much-modified expression of the Federation Bungalow style. The front elevation is asymmetrically planned with a full width hipped roofed verandah on timber posts over a concrete floor. Steps lead down to the garden. A centrally placed front door is flanked by large 'picture' windows. A thrust bay has been introduced to the west side of the elevation with a hipped roof over it.</p> <p>The place has been modified but retains its basic form.</p> <p>The place is consistent with the pattern of development in Plympton and plays an important role in the pattern of development of a working class suburb.</p>

HISTORICAL NOTES	Plympton is a cohesive precinct where most of the places were constructed in the late nineteenth century and the first quarter of the twentieth century. It is comprised primarily of homes for workers and their families with a high concentration of small lots with timber, brick and stone cottages.
OWNERS	Unknown
HISTORIC THEME	Demographic Settlements - Residential Subdivision
CONSTRUCTION MATERIALS	Walls – Rendered masonry Roof – Tiles
PHYSICAL SETTING	The residence is situated on a retained site and a brick and picket fence is located at the street boundary.
STATEMENT OF SIGNIFICANCE	No 53 Canning Highway is a single storey house constructed of rendered masonry with a tiled roof. The place has historic and aesthetic value for its contribution to Plympton with its high concentration of worker's cottages and associated buildings. It contributes to the local community's sense of place. The place has some heritage value for its intrinsic aesthetic value as a Federation Bungalow. The place retains a low degree of authenticity and a high degree of integrity.
AESTHETIC SIGNIFICANCE	No 53 Canning Highway has considerable aesthetic value as a typical Federation Bungalow. It retains some of the characteristic features of a dwelling of the type and period.
HISTORIC SIGNIFICANCE	No 53 Canning Highway has some historic value. It was part of the suburban residential development associated with the expansion of East Fremantle during the Goldrush period of the 1880s and 1890s.
SCIENTIFIC SIGNIFICANCE	N/A
SOCIAL SIGNIFICANCE	No 53 Canning Highway has some social value. It is associated with a significant area of worker's cottages which contributes to the community's sense of place.
RARITY	No 53 Canning Highway is not rare in the immediate context but Plympton has rarity value as a working class suburb.
CONDITION	No 53 Canning Highway is in fair condition.
INTEGRITY	No 53 Canning Highway retains a high degree of integrity.
AUTHENTICITY	No 53 Canning Highway retains a low degree of authenticity.

1. Monthly Financial Report for the month ended 30 September 2024

PURPOSE

The purpose of this report is to present to the Council the Monthly Financial Report for the month ended 30 September 2024. A Capital Works report has been incorporated into the workbook.

EXECUTIVE SUMMARY

A Monthly Financial Report workbook has been prepared to provide an overview of key financial activity.

The WA Government recently amended regulation 34 of the *Local Government (Financial Management) Regulations 1996* to require the Statement of Financial Activity be presented according to nature or type classification.

Regulation 35 also requires local governments to prepare a monthly Statement of Financial Position. This has now been inserted into the Monthly Financial Report.

A Capital Works Report is presented detailing committed expenditure against budgets. This report is used to assess the clearance rate of capital projects.

BACKGROUND

Presentation of a monthly financial report to Council is both a statutory obligation and good financial management practice that:

- a. demonstrates the Town's commitment to managing its operations in a financially responsible and sustainable manner.
- b. provides timely identification of variances from budget expectations for revenues and expenditures and identification of emerging opportunities or changes in economic conditions.
- c. ensures proper accountability to the ratepayers for the use of financial resources.

Financial information that is required to be reported to Council monthly includes:

- a. operational financial performance against budget expectations.
- b. explanations for identified variances from expectations.
- c. financial position of the Town at the end of each month.

Understanding the Financials

When reading the financial information/statements, variances (deviations from budget expectations) are classified as either:

- a. Favourable variance (F)
- b. Unfavourable variance (U)

c. Timing variance (T)

A timing variance relates to a budgeted revenue or expense that has not occurred at the time it was expected, but which is still expected to occur with the budget year. That is, the financial transaction will still occur, but just in a different month. This timing difference may require for the year-to-date budget to be amended for future periods.

A realised favourable or unfavourable variance is different to a timing variance. It represents a genuine difference between the actual and budgeted revenue or expenditure item.

A realised favourable variance on a revenue item is a positive outcome as it increases the projected budget surplus. An unfavourable variance on a revenue item has the opposite effect, resulting in a decrease to the projected budget result.

A realised favourable variance on an expenditure item may have either of two causes – one being a saving because the outcome was achieved for lesser cost, which has the effect of increasing the projected budget result. The other cause may be that the proposed expenditure may not have been undertaken and is not expected to be incurred in that financial year. Whilst this may seem positive from the financial position perspective, it may not be a positive outcome for the community if the service or project is not delivered.

If a realised favourable or unfavourable variance is material in value, a recommendation will be provided to Council to amend the budget.

CONSULTATION

Budget Managers are provided with a monthly Responsible Officer Report for review and reporting of budget variances.

STATUTORY ENVIRONMENT

Section 6.4 of the *Local Government Act 1995* and Regulation 34 of the *Local Government (Financial Management) Regulations 1996* detail the form and way a local government is to prepare its Statement of Financial Activity.

Regulation 35 of the *Local Government (Financial Management) Regulations 1996* requires a monthly Statement of Financial Position to be prepared.

Expenditure from the municipal fund not included in the annual budget must be authorised in advance by an absolute majority decision of Council pursuant to section 6.8 of the *Local Government Act 1995*.

Fees and charges are imposed in accordance with section 6.16 of the *Local Government Act 1995*. Fees and charges imposed outside of the Annual Budget require an absolute majority decision of Council and must give local public notice of the new fees pursuant to section 6.19 of the *Local Government Act 1995*.

POLICY IMPLICATIONS

Significant Accounting Policies are adopted by Council on an annual basis. These policies are used in the preparation of the statutory reports submitted to Council.

FINANCIAL IMPLICATIONS

As part of the adopted 2024/25 Budget, Council adopted the following thresholds as levels of material variances for financial reporting:

That in accordance with regulation 34 (5) of the Local Government (Financial Management) Regulations 1996, and AASB 1031 Materiality, the level to be used in statements of financial activity in 2024/25 for reporting material variances shall be:

- a) 10% of the amended budget; or
b) \$10,000 of the amended budget;
whichever is greater.

In addition, that the material variance limit be applied to total revenue and expenditure for each Nature and Type classification and capital income and expenditure in the Statement of Financial Activity.

STRATEGIC IMPLICATIONS

The monthly financial report is the key financial reporting mechanism to Council, to provide oversight of the financial management of the local government. This ties into the Strategic Community Plan as follows:

4.9 A financially sustainable Town – Provide financial management services to enable the Town to sustainably provide services to the community.

RISK IMPLICATIONS

RISKS

Risk	Risk Likelihood (based on history & with existing controls)	Risk Impact / Consequence	Risk Rating (Prior to Treatment or Control)	Principal Risk Theme	Risk Action Plan (Controls or Treatment proposed)
Inadequate oversight of the financial position of the Town may result in adverse financial trends	Rare (1)	Major (4)	Low (1-4)	FINANCIAL IMPACT \$50,000 - \$250,000	Manage by monthly review of financial statements and key financial information
Inadequate monitoring of grant funding and expenditure resulting in incorrect income transfers	Possible (3)	Moderate (3)	Moderate (5-9)	FINANCIAL IMPACT \$250,001 - \$1,000,000	Manage by updating the internal grants register and contract liabilities register each month

RISK MATRIX

Consequence Likelihood		Insignificant	Minor	Moderate	Major	Extreme
		1	2	3	4	5
Almost Certain	5	Moderate (5)	High (10)	High (15)	Extreme (20)	Extreme (25)
Likely	4	Low (4)	Moderate (8)	High (12)	High (16)	Extreme (20)
Possible	3	Low (3)	Moderate (6)	Moderate (9)	High (12)	High (15)
Unlikely	2	Low (2)	Low (4)	Moderate (6)	Moderate (8)	High (10)
Rare	1	Low (1)	Low (2)	Low (3)	Low (4)	Moderate (5)

A risk is often specified in terms of an event or circumstance and the consequences that may flow from it. An effect may be positive, negative or a deviation from the expected and may be related to the following objectives: occupational health and safety, financial, service interruption, compliance, reputation and environment. A risk matrix has been prepared and a risk rating is provided below. Any items with a risk rating over 16 will be added to the Risk Register, and any item with a risk rating over 16 will require a specific risk treatment plan to be developed.

RISK RATING

Risk Rating	9
Does this item need to be added to the Town's Risk Register	Yes
Is a Risk Treatment Plan Required	No

SITE INSPECTION

Not applicable

COMMENT

This report presents the Statement of Financial Activity by Nature and Type for the month ending 30 September 2024.

The following is a summary of headline numbers from the attached financial report, and explanations for variances is provided in Note 1 of the workbook:

	Original Budget	Current Budget	YTD Budget	September Actuals
Opening Surplus	191,387	910,805	910,805	910,805
Operating Revenue	12,434,476	12,203,476	10,382,641	10,552,975
Operating Expenditure	(13,246,239)	(13,414,876)	(3,407,996)	(3,123,161)
Capital Expenditure	(3,788,113)	(4,190,183)	(628,495)	(424,581)
Capital Income	1,657,483	1,742,047	318,271	403,128
Financing Activities	588,806	638,806	(20,042)	(20,042)
Non-Cash Items	2,162,200	2,162,200	557,886	557,887
Closing Surplus/(Deficit)	0	52,693	8,113,070	8,937,017

The YTD surplus of \$8,937,017 is favourable against the YTD budget of \$8,113,070 as a result of timing issues, with favourable variances being as follows:

- Income \$255,191 with the main areas being:
 - Grants, subsidies and contributions (\$70,444),
 - Other revenue (\$61,733) and
 - Proceeds from capital grants, subsidies and contributions (\$84,857).
- Expenditure \$488,749 with the main areas being:
 - Employee costs (\$45,825),
 - Finance costs (\$55,283),
 - Other expenditure (\$194,259) and
 - Capital activities (\$203,914).

The Executive Summary in the workbook provides an overview of key indicators for the month. Further comments are provided below:

- Rate Notices were issued on the 19 July. The Town received \$7.62m in rates and charges revenue (including rates, ESL, service charges) by the end of September, equating to 66.20% of total rates and charges paid.
- The end-of-year audit process for 23/24 is continuing, and there may be further adjustment to the carried forward surplus of \$910k. As the fixed asset register has not been finalised, no depreciation has been run in 24/25, although a manual entry has been applied in the Statement of Financial Activity.

- Capital works has yet to substantially commence in 24/25, with work continuing the Fremantle City Football Club project.

CONCLUSION

Council is requested to receive the Monthly Financial Report for the month ended September 2024.

13.2 OFFICER RECOMMENDATION / COUNCIL RESOLUTION

Council Resolution 021510

OFFICER RECOMMENDATION:

Moved Cr Wilson, seconded Cr Natale

That Council:

- 1. receives the Monthly Financial Report for the month ended 30 September 2024, as presented as attachment 1 to this report, inclusive of:**
 - (i) Statement of Financial Activity by Nature and Type**
 - (ii) Statement of Financial Position**
 - (iii) Capital Expenditure Report**
- 2. notes the unrestricted municipal surplus of \$8,937,017 for the month ended 30 September 2024.**

	7,979,450

TOWN OF EAST FREMANTLE
NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY
FOR THE PERIOD ENDED 30 SEPTEMBER 2024

1 EXPLANATION OF MATERIAL VARIANCES

The material variance thresholds are adopted annually by Council as an indicator of whether the actual expenditure or revenue varies from the year to date actual materially.
The material variance adopted by Council for the 2024-25 year is \$10,000 or 10.00% whichever is the greater.

Description	Var. \$	Var. %	Var.	Timing / Permanent	Explanation
	\$	%			
Revenue from operating activities					
Rates	(1,108)	(0.01%)		No variance	No material variance
Grants, subsidies and contributions	70,444	38.49%	▲	Timing	\$39.7k due to timing and \$30.6K unbudgeted urban canopy grant received. To be offset by expenditure to the Town's urban canopy infrastructure.
Fees and charges	9,652	0.00%		Timing	No material variance
Interest revenue	29,613	68.37%	▲	Timing	No material variance
Other revenue	61,733	265.83%	▲	Timing	Unbudgeted Workcover compensation claims - \$15.5k and recovery of operational costs for the East Fremantle Community Park - \$50k. Offset by increase in operational expenditure.
Profit on asset disposals	0	0.00%		No variance	
Expenditure from operating activities					
Employee costs	45,825	3.64%	▼	Timing	Favourable
Materials and contracts	9,963	0.00%		Timing	No material variance
Utility charges	653	0.00%		Timing	No material variance
Depreciation	0	0.00%		No variance	Manual posting as asset register not yet finalised for 23/24
Finance costs	55,283	161.79%	▼	Timing	Reversal of accrued interest for the East Fremantle Community Park loan
Insurance	(21,148)	(15.81%)	▲	Timing	No material variance
Other expenditure	194,259	55.73%	▼	Timing	Contribution of the Fremantle Library \$138k South West Group contribution \$26k Councillor training not yet expended \$18k License and insurance \$8k
Loss on asset disposals	0	0.00%		No variance	
Non-cash amounts excluded from operating activities	1	0.00%		No variance	
Investing Activities					
Proceeds from capital grants, subsidies and contributions	84,857	26.66%	▲	Timing	See Note 10 Grants & Contributions for more detailed information
Proceeds from disposal of assets	0	0.00%		No variance	Schedule of disposal of vehicles and plant delayed.
Payments for property, plant and equipment	207,542	35.88%	▼	Timing	See Note 5 Capital Acquisitions for more detailed information
Payments for construction of infrastructure	(3,628)	(7.26%)		Timing	See Note 5 Capital Acquisitions for more detailed information
Financing Activities					
Proceeds from new debentures	0	0.00%		No variance	
Transfer from reserves	0	0.00%		No variance	
Repayment of borrowings	0	0.00%		No variance	
Payments for principal portion of lease liabilities	0	0.00%		No variance	
Transfer to reserves	0	0.00%		No variance	
Surplus or deficit at the start of the financial year	80,006	8.78%	▲	Permanent	Pending finalisation of annual report
Surplus or deficit after imposition of general rates	823,947	10.16%	▲	Timing	Due to variances described above

NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY
FOR THE PERIOD ENDED 30 SEPTEMBER 2024

2 STATEMENT OF FINANCIAL ACTIVITY INFORMATION

(a) Net current assets used in the Statement of Financial Activity

		Current Budget Closing 30 June 2025	Last Year Closing 30 June 2024	Year to Date 30 September 2024
Note		\$	\$	\$
	Current assets			
	Cash and cash equivalents	4,312,251	5,278,266	10,279,461
	Trade and other receivables	252,401	948,111	4,186,755
	Contract assets	0	0	0
	Other assets	52,099	231,260	57,665
		4,616,751	6,457,637	14,523,881
	Less: current liabilities			
	Trade and other payables	(1,854,815)	(1,609,730)	(2,002,332)
	Other liabilities	(71,910)	(340,343)	(63,230)
	Lease liabilities	(52,049)	(45,114)	(25,072)
	Borrowings	(157,911)	(150,564)	(150,564)
	Employee related provisions	(675,173)	(806,704)	(811,259)
	Other provisions	(43,530)	(80,000)	(80,000)
		(2,855,388)	(3,032,455)	(3,132,457)
	Net current assets	1,761,363	3,425,182	11,391,424
	Less: Total adjustments to net current assets	(1,708,670)	(2,434,371)	(2,454,413)
	Closing funding surplus / (deficit)	52,693	990,811	8,937,017

(b) Non-cash amounts excluded from operating activities

The following non-cash revenue and expenditure has been excluded from operating activities within the Statement of Financial Activity in accordance with *Financial Management Regulation 32*.

		Current Budget	YTD Budget (a)	YTD Actual (b)
		\$	\$	\$
	Non-cash amounts excluded from operating activities			
	Adjustments to operating activities			
	Less: Profit on asset disposals	(69,342)	0	0
	Add: Loss on asset disposals	0	0	0
	Add: Depreciation	2,231,542	557,886	557,886
	- Pensioner deferred rates	0	0	1
	Total non-cash amounts excluded from operating activities	2,162,200	557,886	557,887

(c) Current assets and liabilities excluded from budgeted deficiency

The following current assets and liabilities have been excluded from the net current assets used in the Statement of Financial Activity in accordance with *Financial Management Regulation 32* to agree to the surplus/(deficit) after imposition of general rates.

		Current Budget Opening 30 June 2024	Last Year Closing 30 June 2024	Year to Date 30 September 2024
		\$	\$	\$
	Adjustments to net current assets			
	Less: Reserve accounts	(1,918,630)	(2,710,049)	(2,710,049)
	- Current portion of borrowings	157,911	150,564	150,564
	- Current portion of lease liabilities	52,049	45,114	25,072
	- Current provision for equity contribution - Investment in Associate		80,000	80,000
	Total adjustments to net current assets	(1,708,670)	(2,434,371)	(2,454,413)

CURRENT AND NON-CURRENT CLASSIFICATION

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. Unless otherwise stated assets or liabilities are classified as current if expected to be settled within the next 12 months, being the Council's operational cycle.

		\$10,278,859	100%

The Town obtains quotes from three (3) financial institutions prior to placing investments. This ensures the Town is receiving the best return on investment possible. The amount the Town invests is dependent on cash flow requirements for business operations and capital works for upcoming months. As the financial year progresses, the Town's cash holdings decreases which means less investment of Municipal funds. The current monetary policy imposed by the Reserve Bank of Australia (RBA) is driving the interest rate environment. The Town's investment policy precludes investing in term deposits for more than 12 months.

Prepared by	Natalie McGill Senior Finance Officer
Supervised by	Phil Garoni, Finance Manager
Meeting date	Tuesday, 15 October 2024
Voting requirements	Simple Majority
Documents tabled	Nil

Attachments

1. List of Payments – September 2024
2. Fuel Summary – August 2024

PURPOSE

That Council, in accordance with regulation 13(1) of the Local Government (Financial Management) Regulations 1996, receives the list of payments made under delegated authority for the month ending 30 September 2024.

EXECUTIVE SUMMARY

Council has an Executive role in receiving the list of payments pursuant to Regulation 13(1) of the Local Government (Financial Management) Regulations 1996. It is therefore recommended that Council receives the List of Accounts paid for the period 1 September to 30 September 2024, as per the summary table.

BACKGROUND

The Chief Executive Officer has delegated authority to make payments from the Municipal and Trust Accounts in accordance with budget allocations.

The Town provides payments to suppliers by electronic funds transfer, cheque, or credit card. Attached are itemised lists of all payments made under delegated authority during the said period.

The bulk of payments are processed by electronic funds transfer (EFT) with the exception of occasional reimbursements and refunds.

CONSULTATION

Nil.

STATUTORY ENVIRONMENT

Regulation 13: Local Government (Financial Management) Regulations 1996 (as amended) requires local governments to prepare a list of payments made under delegated authority to be prepared and presented to Council monthly.

A new regulation has been added to the Local Government (Financial Management) Regulations 1996 to increase transparency and accountability in local government, through greater oversight of incidental spending.

Regulation 13A covers purchasing cards issued by local governments to their employees. Purchasing cards use a local government approved line of credit that allows for the timely payment of goods and services acquired in the ordinary course of business.

Purchasing cards include the following:

- business or corporate credit cards
- debit cards
- store cards
- fuel cards
- taxi cards

Other than debit cards, purchasing cards all require a separate payment to the card provider.

Purchasing cards do not include:

- non-reloadable gift cards – these cards are not connected to a local government account or intended to be used as a means of making ordinary business transactions
- pre-loaded purchase or credit card advances – these are cash advances and should be recorded and acquitted accordingly
- SmartRider cards that are centrally controlled for general use – if these cards are managed under the cash advance provisions.

POLICY IMPLICATIONS

Policy 2.1.3 Purchasing. All supplier payments are approved under delegated authority pursuant to the authorisation limits outlined in Council's Purchasing Policy.

FINANCIAL IMPLICATIONS

All expenditure is incurred by authorised officers and made in accordance with the adopted Annual Budget. All amounts quoted in this report are inclusive of GST.

STRATEGIC IMPLICATIONS

A proactive, approachable Council which values community consultation, transparency and accountability

5.1 Strengthen organisational accountability and transparency

5.2 Strive for excellence in leadership and governance.

RISK IMPLICATIONS

RISKS

Risk	Risk Likelihood (based on history & with existing controls)	Risk Impact / Consequence	Risk Rating (Prior to Treatment or Control)	Principal Risk Theme	Risk Action Plan (Controls or Treatment proposed)
That Council does not accept the list of payments	Rare (1)	Moderate (3)	Low (1-4)	COMPLIANCE Minor regulatory or statutory impact	Accept Officer Recommendation

RISK MATRIX

Consequence		Insignificant	Minor	Moderate	Major	Extreme
Likelihood		1	2	3	4	5
Almost Certain	5	Moderate (5)	High (10)	High (15)	Extreme (20)	Extreme (25)
Likely	4	Low (4)	Moderate (8)	High (12)	High (16)	Extreme (20)
Possible	3	Low (3)	Moderate (6)	Moderate (9)	High (12)	High (15)
Unlikely	2	Low (2)	Low (4)	Moderate (6)	Moderate (8)	High (10)
Rare	1	Low (1)	Low (2)	Low (3)	Low (4)	Moderate (5)

A risk is often specified in terms of an event or circumstance and the consequences that may flow from it. An effect may be positive, negative or a deviation from the expected and may be related to the following objectives: occupational health and safety, financial, service interruption, compliance, reputation and environment. A risk matrix has been prepared and a risk rating is provided below. Any items with a risk rating over 16 will be added to the Risk Register, and any item with a risk rating over 16 will require a specific risk treatment plan to be developed.

RISK RATING

Risk Rating	3
Does this item need to be added to the Town's Risk Register	No
Is a Risk Treatment Plan Required	No

13.4 2024 GENERAL COMPUTER CONTROL AUDIT

Report Reference Number	OCR-3116
Prepared by	Peter Kocian, Executive Manager Corporate Services
Supervised by	Jonathan Throssell, Chief Executive Officer
Meeting date	Tuesday, 15 October 2024
Voting requirements	Part 2 of the Officer's Recommendation requires an absolute majority
Documents tabled	Nil
Attachments	<ol style="list-style-type: none"> 1. Information Systems Management Letter (Confidential) 2. 2024 Capability Maturity Assessment (Confidential) 3. Quote for Implementation of Audit Findings (Confidential)

PURPOSE

Council is requested to receive the Management Letter and Capability Maturity Assessment resulting from the 2024 General Computer Control/Information Systems Audit and approve a budget variation to enable project work to implement audit findings.

EXECUTIVE SUMMARY

At its meeting of 28 August 2024, the Audit Committee was provided with an overview of the 2024 external audit framework, which included the General Computer Control/Information Systems Audit. The Audit Committee was also provided with the Office of Auditor General's report on the Information Systems Audit Results for 2022/23. The Management Letter and Capability Maturity Assessment has now been provided for the 2023/24 Audit which will enable benchmarking against prior year.

BACKGROUND

The key objectives of the Information System Audit are to:

- Provide a preliminary conclusion over the General IT Controls covering the following:
 - IT Risk Management
 - Information and Cyber Security
 - Information Security Framework
 - Human Resource Security
 - Access Management
 - Network Security
 - Endpoint Security
 - Physical Security
 - Change Management
 - IT Operations Management
 - Manage Continuity
- Assess the adequacy of these controls
- Conduct testing (operating effectiveness) on selected IT controls as per our test plans
- Follow up of IS Audit issues raised in previous audits; and

- Complete the IS Capability Maturity Assessment.

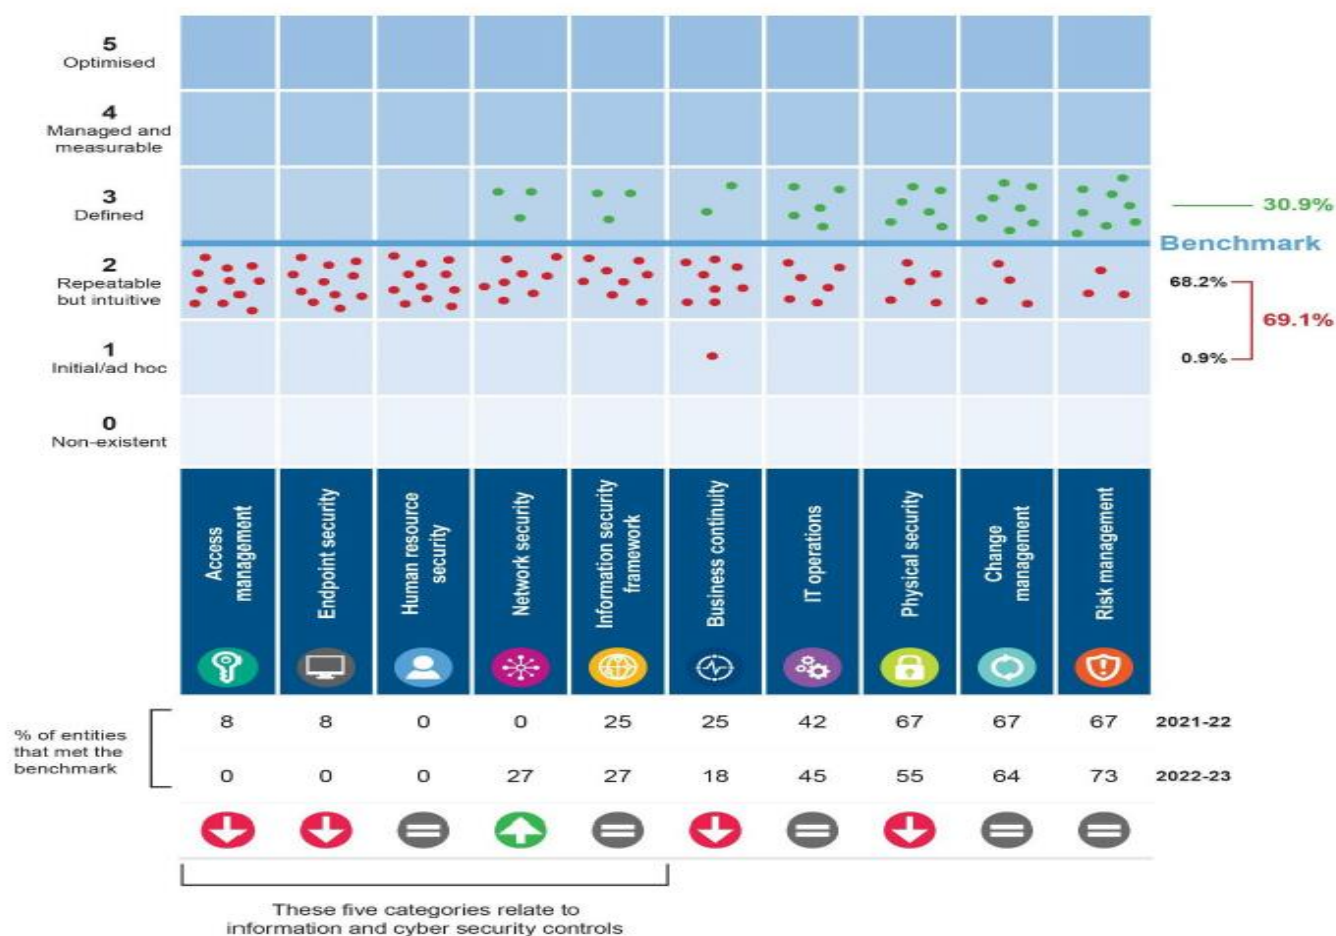

The 2023/24 Audit was the Town's fourth Information Systems Audit in the last six years.

The following information was provided to the Audit Committee at its meeting of 28 August 2024.

The Town of East Fremantle was one of eleven local governments that was subject to a capability maturity assessment in 2022/23 as part of the Information Systems Audit. To meet the benchmark, entities need to achieve a level 3 (defined) rating or better:

Figure 4 shows the results of our capability maturity assessments.

CONSULTATION

The Office of the Auditor General
Manager Corporate Services
Manager Finance
Focus Networks

STATUTORY ENVIRONMENT

Council is requested to approve a budget variation pursuant to section 6.8 (1) (b) of the *Local Government Act 1995*.

POLICY IMPLICATIONS

There are numerous ICT Policies relating to the Town's ICT Framework:

- Strategic ICT Plan
- IT Disaster Recovery Plan
- Access Control Policy
- Bring your own Device Policy
- Change Management Policy
- Data Backup Policy
- Data Destruction and Disposal Policy
- Incident Management Plan

- Information Security Policy
- IT Risk Treatment Plan
- Password Policy
- Patching and Vulnerability Management Policy
- Remote Access Policy
- Use of Information Technology

FINANCIAL IMPLICATIONS

The Town's indicative audit fee for 2023/24 is \$65,000 ex GST compared to a prior year audit fee of \$53,750 ex GST.

Council is requested to approve the attached quote for \$7,625 for required project work as well as a further \$10,000 for an external penetration test. This will require a budget adjustment against account E04221 Computer System Support and Licenses, increasing the budget from \$342,990 to \$360,615.

STRATEGIC IMPLICATIONS

The following section applies from the Town's Strategic Community Plan 2020-2030:

Strategic Priority 5: Leadership and Governance

5.1 Strengthen organisational accountability and transparency.

5.3 Strive for excellence in leadership and governance.

RISK IMPLICATIONS

RISKS

Risk	Risk Likelihood (based on history & with existing controls)	Risk Impact / Consequence	Risk Rating (Prior to Treatment or Control)	Principal Risk Theme	Risk Action Plan (Controls or Treatment proposed)
That key findings from the external audit are not actioned	Possible (3)	Moderate (3)	Moderate (5-9)	SERVICE INTERRUPTION Prolonged interruption of services - additional resources; performance affected <1 month	Accept Officer Recommendation

RISK MATRIX

Consequence		Insignificant	Minor	Moderate	Major	Extreme
Likelihood		1	2	3	4	5
Almost Certain	5	Moderate (5)	High (10)	High (15)	Extreme (20)	Extreme (25)
Likely	4	Low (4)	Moderate (8)	High (12)	High (16)	Extreme (20)
Possible	3	Low (3)	Moderate (6)	Moderate (9)	High (12)	High (15)
Unlikely	2	Low (2)	Low (4)	Moderate (6)	Moderate (8)	High (10)
Rare	1	Low (1)	Low (2)	Low (3)	Low (4)	Moderate (5)

A risk is often specified in terms of an event or circumstance and the consequences that may flow from it. An effect may be positive, negative or a deviation from the expected and may be related to the following objectives: occupational health and safety, financial, service interruption, compliance, reputation and environment. A risk

matrix has been prepared and a risk rating is provided below. Any items with a risk rating over 16 will be added to the Risk Register, and any item with a risk rating over 16 will require a specific risk treatment plan to be developed.

RISK RATING

Risk Rating	9
Does this item need to be added to the Town's Risk Register	Yes
Is a Risk Treatment Plan Required	No

SITE INSPECTION

Not applicable.

COMMENT

As per the attached Management Letter, there were nine audit findings resulting from the 2024 Information Systems Audit; eight findings are assessed to be 'minor' and one finding assessed to be 'moderate'. Finding #7 has already been closed. These findings will be added to the audit status log for ongoing review and monitoring.

It is relevant to note that the 2024 findings are more administrative in nature as opposed to technical requirements/controls. This has resulted in an improvement in the maturity level, with the Town now achieving benchmark across seven categories, and one step below benchmark in the other three categories. This is an improvement on prior year, and following the implementation of 2024 audit findings, the Town could possibly achieve benchmark across all categories, which would place the Town in the top 25% of public entities.

CONCLUSION

The Town's Administration would like to progress project work to close out on audit findings in a timely manner; thus, a budget variation is requested to enable this work to commence.

13.4 OFFICER RECOMMENDATION / COUNCIL RESOLUTION

Council Resolution 041510

OFFICER RECOMMENDATION:

Moved Cr Wilson, seconded Cr White

That Council, with respect to the 2024 General Computer Control/Information Systems Audit:

- 1. receives the Management Letter and Capability Maturity Assessment presented as confidential attachments.**
- 2. notes the improvement in the maturity assessment compared to prior year.**
- 3. pursuant to section 6.8 of the *Local Government Act 1995*, approves by absolute majority, an increase of \$17,625 to the operating budget (Account E04221) for computer support and licenses to enable the implementation of audit findings.**

(CARRIED UNANIMOUSLY BY AN ABSOLUTE MAJORITY 8:0)

For: Crs Wilson, Collinson, Donovan, Harrington, Natale, White, Maywood and Mayor O'Neill.

13.5 EAST FREMANTLE'S GEORGE STREET FESTIVAL - EXTREME RISK EVENT ENDORSEMENT

Report Reference Number	OCR-3101
Prepared by	Nadia O'Malley
Supervised by	Jonathan Throssell, Chief Executive Officer
Meeting date	Tuesday, 15 October 2024
Voting requirements	Simple Majority
Documents tabled	

1. East Fremantle's George Street Festival 2024 Risk Management and Response Plan

PURPOSE

Council is requested to endorse the approval of East Fremantle's George Street Festival 2024.

EXECUTIVE SUMMARY

The Town of East Fremantle has an event notification process in order to capture and review public events that are being hosted within the Town's boundaries.

Events are classified as "low", "moderate", "high" and "extreme" based on the evaluation of a number of factors:

- Activities / Entertainment
- Alcohol / Food
- Attendance – numbers and audience
- First Aid – requirements in line with Department of Health recommendations
- Impact on neighbours/residents
- Insurance – opportunity to check suitable in place
- Other Agencies – consideration of sponsors
- Parking / Traffic Management, including site plan
- Risk Management, including temporary structures
- Time – with a view to lighting and duration
- Toilets – availability
- Waste – Go2Cup, monitored bin stations and post event audit
- Water – access to water tank and refill stations

East Fremantle's George Street Festival 2024 is classified as an "Extreme" event, due mainly to its venue (including road closures and traffic management), the number of people expected (over 10,000) and the presence of food / alcohol, therefore Council's approval is required.

This year's festival will be on Sunday 1 December from 11am to 6pm.

BACKGROUND

The **George Street Festival** was, anecdotally, born in 1989 as a collaboration between the businesses located on George Street. The Town of East Fremantle has been facilitating the **East Fremantle Festival** since the 1990s. For a number of those years, the event was coordinated by a consultant third party with direction from the Town.

The Town has established an Event Classification Risk Tool. Any event with a risk score greater than 30 requires Council approval. The assessed score for East Fremantle's George Street Festival 2024 is 41, per the attached event classification.

CONSULTATION

Executive team, local businesses, community groups and sporting clubs.

STATUTORY ENVIRONMENT

Health (Miscellaneous Provisions) Act 1911, Public Health Act 2016, Food Act 2008, Environmental Protection Act 1986 and all regulations thereunder.

POLICY IMPLICATIONS

Not applicable.

FINANCIAL IMPLICATIONS

The endorsement and the approval of this event as part of the event notification process has no financial implication for the Council.

The total budget for this event is \$163,485. This is inclusive of budgeted grants and stallholder fees of \$15,252. Successful grants so far include Fremantle Ports (\$8,000 inc GST) and DBCA Plastic Free Riverpark Grant (\$10,000 exc. GST).

STRATEGIC IMPLICATIONS

"Town of East Fremantle Strategic Community Plan 2020 to 2030"

Strategic Priority 1 – A socially connected, inclusive and safe community

- 1.3 Strong community connection within a safe and vibrant lifestyle.
 - 1.3.1 Partner and educate to build a strong sense of community safety.
 - 1.3.2 Facilitate opportunities to develop community connections through events and celebrations.
 - 1.3.3 Facilitate community group capacity building.

Strategic Priority 2 - Economic - Sustainable, "locally" focused and easy to do business with.

- 2.2 Continue to develop and revitalise local business activity centres
 - 2.2.1 Facilitate local small business access through planning and activation to support community and business growth.

Strategic Priority 5 – Leadership and Governance – A proactive, approachable Council which values community consultation, transparency and accountability

- 5.1 Strengthen organisational accountability and transparency
 - 5.1.1 Strengthen governance, risk management and compliance
 - 5.1.2 Ensure an effective engagement process is undertaken with community and stakeholders.
 - 5.1.3 Improve the efficiency and effectiveness of services

"Town of East Fremantle Public Health Plan 2022 to 2027"

Key Area 1: Healthy People and Community

Programs, events and facilities that support and promote a physically active lifestyle.

- Promote and support festivals and events throughout the town that promote active living, healthy eating and mental health and wellbeing.

Access to safe, sustainable and healthy food

- Encourage and promote healthy food vendors at festivals and events.

RISK IMPLICATIONS

RISKS

Risk	Risk Likelihood (based on history & with existing controls)	Risk Impact / Consequence	Risk Rating (Prior to Treatment or Control)	Principal Risk Theme	Risk Action Plan (Controls or Treatment proposed)
	Possible (3)	Major (4)	High (10-16)	REPUTATIONAL Substantiated, public embarrassment, moderate impact, moderate news profile	Treat through the attached Risk Management Plan.

RISK MATRIX

Consequence		Insignificant	Minor	Moderate	Major	Extreme
Likelihood		1	2	3	4	5
Almost Certain	5	Moderate (5)	High (10)	High (15)	Extreme (20)	Extreme (25)
Likely	4	Low (4)	Moderate (8)	High (12)	High (16)	Extreme (20)
Possible	3	Low (3)	Moderate (6)	Moderate (9)	High (12)	High (15)
Unlikely	2	Low (2)	Low (4)	Moderate (6)	Moderate (8)	High (10)
Rare	1	Low (1)	Low (2)	Low (3)	Low (4)	Moderate (5)

A risk is often specified in terms of an event or circumstance and the consequences that may flow from it. An effect may be positive, negative or a deviation from the expected and may be related to the following objectives: occupational health and safety, financial, service interruption, compliance, reputation and environment. A risk matrix has been prepared and a risk rating is provided below. Any items with a risk rating over 16 will be added to the Risk Register, and any item with a risk rating over 16 will require a specific risk treatment plan to be developed.

RISK RATING

Risk Rating	12
Does this item need to be added to the Town's Risk Register	No
Is a Risk Treatment Plan Required	Yes

SITE INSPECTION

Multiple site inspections have been conducted by the Manager Community Engagement and Communications, Communications Officer, Environmental Health Officers, Waste and Sustainability Officer, Operations department and Stallholder Coordinator.

COMMENT

The Town's Administration has undertaken due diligence and seeks Council endorsement of this public event, East Fremantle's George Street Festival 2024. The traffic management plan is being reviewed and approved by the Technical Services officers.

This annual event is assessed as an 'Extreme' event because of the venue (including road closures and traffic management), the number of people expected (over 10,000) and the presence of food/alcohol. Whilst is an 'Extreme' event, administration and the engaged subcontractors has significant experience in running this successful event.

It is recommended Council's approval the 2024 East Fremantle's George Street Festival.

CONCLUSION

That Council endorses East Fremantle's George Street Festival 2024.

13.5 OFFICER RECOMMENDATION / COUNCIL RESOLUTION

Council Resolution 051510

OFFICER RECOMMENDATION:

Moved Cr Donovan, seconded Cr Harrington

That Council endorses the East Fremantle's George Street Festival 2024 risk assessment and associated risk management and response plan.

(CARRIED UNANIMOUSLY 8:0)

For: Crs Wilson, Collinson, Donovan, Harrington, Natale, White, Maywood and Mayor O'Neill.

Against: Nil

East Fremantle's George Street Festival 2024

RISK MANAGEMENT AND RESPONSE PLAN

1. CONTEXT

East Fremantle's George Street Festival will be held on Sunday 1 December from 11am to 6pm. This community event will be coordinated by the Town of East Fremantle. The event will be located on George Street, East Fremantle. Up to 10,000 people – predominantly families – are expected to attend.

2. SETTING

- 2.1 Location:** George Street, East Fremantle, with a road closure in place from East Street to Duke Street.
- 2.2 Buildings:** George Street is a mixed use street within the Town, with both residences and business premises located along the street.
- 2.3 Temporary Structures:** there will be several small marquees utilised during the event, with some minor staging and other infrastructure.
- 2.4 Crowded Places Assessment:** a self-assessment has been undertaken, with a low-risk score of 28 achieved.

3. KEY STAKEHOLDERS

- **EVENT ORGANISER** – on site, Town of East Fremantle
- **EMERGENCY SERVICES** – on call, Fire and Emergency Services
- **FIRST AID** – on site, St John Ambulance
- **POLICE** – on call, WA Police
- **SECURITY** – on site,
- **TRAFFIC MANAGEMENT** – on site, Contraflow
- **RANGER SERVICES** – 2 on site, Town of East Fremantle
- **CONTRACTORS / VOLUNTEERS / STAFF** – in attendance prior to and at event

This Plan will be communicated with the key stakeholders via email prior to the event and internal staff and contractors via a briefing a week prior to the event.

4. RESPONSE

- 4.1 Coordination:** an emergency response at East Fremantle's George Street Festival will be coordinated by the Event Organiser, who will be assisted as required by other agencies.
- 4.2 Egress Points:** in case of an evacuation visitors will be directed, by the Event Organiser, Security Staff and nominated volunteers, to the egress points highlighted on the attached map – Appendix 1.
- 4.3 Response Team**
 - 4.3.1** The Event Organiser is responsible for initiating a response. Duties include contacting and liaising with the local Police. The public will be advised via the public address system located at the Main Stage.
 - 4.3.2** The Event Organiser, in the case of an emergency, initially directs all volunteers and / or staff.
 - 4.3.3** In the unlikely event of an emergency, coordination of emergency services is the responsibility of the local Police.
 - 4.3.5** Identification: the Event Organiser, will wear a **High-Vis** vest to ensure easy identification by the public and volunteers. Volunteers will have

Festival Event Ambassador Tops to ensure easy identification by the public.

- 4.3.6 Communication: The Event Organiser will be in contact with security and staff via two-way radios, and with other volunteers and stallholders by mobile phone.

5. COMMUNICATIONS

- 5.1** In the event of an emergency the Event Organiser is to be advised in person or via mobile phone, the Event Organiser will then;
- 1 Advise the public via public address.
 - 2 Call 000.
 - 3 Establish contact with the local Police coordinate the emergency.
- 5.2** In the event of the requirement to cancel the event the following steps will be undertaken by, or under the direction of, the Event Organiser;
- 1 Signage to be placed at the event site to advise of cancellation.
 - 2 Stallholders / entertainers to be contacted via telephone to advise of cancellation.
 - 3 Main media outlets to be contacted via telephone to advise of cancellation.
 - 4 Social media platforms to be utilised to share the information.
- 5.3 Emergency Contacts and Mobile Numbers – see Appendix 2**

6. THE RISKS

6.1 Primary Objective

The purpose of this plan is to identify potential risks and hazards, their likelihood of occurring and create a treatment plan to ensure risks are minimised at the event.

Overview

The following Risk Management Plan has been developed utilising the steps outlined below (based on the Australian and New Zealand Standard for Risk Management (AS/NZS 4360:2004):

- Risk assessment process
- Risk assessment tables
- Risk treatment plan

6.2 Risk assessment process

- a. Risk identification** - Identify individual risks associated with an event including flow-on effects of consequences. Risks can be location specific, event specific or outside the control of the event organiser. Identify all the risks or accidents that could arise from the event. Group them into risk types and list in the 'risk' column of the risk management plan.

1 Risk assessment tables

- a Likelihood of risk occurring.** What is the likelihood of the risk occurring?

CATEGORY	LIKELIHOOD	DESCRIPTION
A	Almost Certain	Expected to occur in most circumstances
B	Likely	Probably occur in most circumstances

C	Possible	Might occur some time
D	Unlikely	Could occur at some time
E	Rare	May occur in exceptional circumstances

- b Consequence rating.** What is the consequence of the risk occurring? This rating refers to the degree of loss or damage which may result from its occurrence.

LEVEL	CONSEQUENCE	DESCRIPTION
1	Insignificant	Very small impact, consequence would be dealt with by routine operation
2	Minor	Easily remedied, consequence would not threaten the efficiency or effectiveness of some aspect of the event but would be dealt with internally
3	Moderate	Some objectives may be affected. Consequences would not threaten the event but would mean the event would be subject to manageable changes
4	Major	Consequences would threaten the continued effective functioning of the event organisation and therefore the event
5	Catastrophic	Consequence would threaten the event and the event organisation

- a Level of risk and risk priority (risk rating).** Analysing the likelihood of the risk occurring against the consequence of the risk occurring determines the risk rating.

E: Extreme risk – Immediate action required	M: Medium risk – Management responsibility must be specified
H: High risk – Senior management attention needed	L: Low risk – Manage by routine procedures

LIKELIHOOD	CONSEQUENCE				
	1. Insignificant	2. Minor	3. Moderate	4. Major	5. Catastrophic
A (Almost certain)	M	M	H	E	E
B (Likely)	L	M	M	H	E
C (Possible)	L	M	M	H	H
D (Unlikely)	L	L	M	M	M
E (Rare)	L	L	L	M	M

13.6 AMENDMENT TO DELEGATION 1.2.20 DISPOSING OF PROPERTY AND DELEGATION 4.1 CAT REGISTRATIONS

Report Reference Number	OCR-3103
Prepared by	Janine May, EA/Governance Coordinator
Supervised by	Peter Kocian, Executive Manager Corporate Services
Meeting date	Tuesday, 15 October 2024
Voting requirements	Absolute majority
Documents tabled	Nil
Attachments	
	1. 1.2.20 Disposing of Property
	2. 4.1.1 Cat Registration

PURPOSE

Council is requested to approve an amendment to delegation 1.2.20 Disposing of Property and note that an amendment has been made to sub-delegation conditions for delegation 4.1.1 Cat Registration.

EXECUTIVE SUMMARY

The proposed changes to both delegations are highlighted in red within the report attachments and are recommended for adoption.

BACKGROUND

Following a comprehensive review and rewrite of Council's Delegation Register (based on the WALGA template) by an independent consultant, the revised register was adopted by Council on 18 June 2024.

Since that time, a couple of issues have come to light:

1. the previous authority to consider, determine and issue mooring pens and residential leases was not carried through to this new register
2. minor adjustments are required to 4.1.1 Cat Registration delegation in relation to limitations for subdelegates. Whilst sub-delegations do not require the approve of Council, as Council adopted the original Delegation Register in its entirety inclusive of sub-delegations, this information is being presented.

CONSULTATION

Executive Manager Corporate Services
Manager Corporate Services

STATUTORY ENVIRONMENT

Under section 5.42 of the *Local Government Act* any of the duties designated in the Local Government Act 1995 may be delegated to the CEO except for those stated in section 5.43, which are:

- *Any duty requiring an absolute or higher majority of Council*
- *Accepting a tender greater than an amount set by Council*
- *Appointing an auditor*
- *Disposing of or acquiring property valued higher than an amount set by Council*

- *Deciding fees payable to elected members*
- *Borrowing money*
- *Determining objections to a Council decision of a kind referred to in Section 9.5*

and the *Planning and Development Act 2005* section 214(2), (3) or (5).

Powers delegated to the CEO may be further delegated (with or without conditions) by the CEO to other officers, as deemed appropriate by the Chief Executive Officer.

The delegation of any power from Council to the Chief Executive Officer and from the Chief Executive Officer to any other officer must be in writing and when the delegated power is used it must be recorded by the officer exercising it.

A Chief Executive Officer cannot exercise delegated powers or duties if the CEO has an interest in the matter. The nature of the interest must be disclosed to the Mayor as soon as practicable after the CEO becomes aware of the interest.

The following Acts also permit delegated authority:

- Building Act 2011
- Bush fires Act 1954
- Dog Act 1974
- Cat Act 2011
- Food Act 2008
- Graffiti Vandalism Act 2016
- Public Health Act 2015
- Planning and Development Act 2005

POLICY IMPLICATIONS

N/A

FINANCIAL IMPLICATIONS

N/A

STRATEGIC IMPLICATIONS

The Town of East Fremantle Strategic Community Plan 2020 – 2030 states as follows:

Strategic Priority 5: Leadership and Governance

5.1 Strengthen organisational accountability and transparency.

5.1.3 Improve the efficiency and effectiveness of services.

5.3 Strive for excellence in leadership and governance.

5.3.2 Improve organisational systems with a focus on innovation.

RISK IMPLICATIONS

RISKS

Risk	Risk Likelihood (based on history & with existing controls)	Risk Impact / Consequence	Risk Rating (Prior to Treatment or Control)	Principal Risk Theme	Risk Action Plan (Controls or Treatment proposed)
Not approving minor amendments to these delegations will disrupt efficient administration procedures causing delays and may cause confusion for subdelegates	Unlikely (2)	Moderate (3)	Moderate (5-9)	COMPLIANCE Some temporary non-compliances	Accept Officer Recommendation

RISK MATRIX

Consequence Likelihood		Insignificant	Minor	Moderate	Major	Extreme
		1	2	3	4	5
Almost Certain	5	Moderate (5)	High (10)	High (15)	Extreme (20)	Extreme (25)
Likely	4	Low (4)	Moderate (8)	High (12)	High (16)	Extreme (20)
Possible	3	Low (3)	Moderate (6)	Moderate (9)	High (12)	High (15)
Unlikely	2	Low (2)	Low (4)	Moderate (6)	Moderate (8)	High (10)
Rare	1	Low (1)	Low (2)	Low (3)	Low (4)	Moderate (5)

A risk is often specified in terms of an event or circumstance and the consequences that may flow from it. An effect may be positive, negative or a deviation from the expected and may be related to the following objectives: occupational health and safety, financial, service interruption, compliance, reputation and environment. A risk matrix has been prepared and a risk rating is provided below. Any items with a risk rating over 16 will be added to the Risk Register, and any item with a risk rating over 16 will require a specific risk treatment plan to be developed.

RISK RATING

Risk Rating	6
Does this item need to be added to the Town's Risk Register	No
Is a Risk Treatment Plan Required	No

COMMENT

Delegation 1.2.20 Disposing of Property

It is proposed to include:

- reference to the authority to consider, determine and issue mooring pens and residential leases.
- the Manager Corporate Services as a subdelegate to exercise this added function.

Delegation 4.1.1 Cat Registration

The sub-delegation will be amended as follows:

- restrict subdelegation for Customer Service Officers and the Revenue Officer to Functions 1, 2 & 4

- remove the Ranger as a subdelegate as this role does not involve administration of cat registrations.

CONCLUSION

It is recommended that the proposed minor amendments to Delegations 1.2.20 & 4.1.1 be approved.

13.6 OFFICER RECOMMENDATION / COUNCIL RESOLUTION

Council Resolution 061510

OFFICER RECOMMENDATION:

Moved Cr Wilson, seconded Cr Natale

That Council:

1. pursuant to sections 5.45 and 5.46 of the *Local Government Act 1995*, by absolute majority, approves the amendment to the following delegation to consider, determine and issue mooring pens and residential leases:
 - Delegation 1.2.20 Disposing of Property
2. notes the amendment to sub-delegation conditions in Delegation 4.1.1 Cat Registration.

(CARRIED UNANIMOUSLY BY AN ABSOLUTE MAJORITY 8:0)

For: Crs Wilson, Collinson, Donovan, Harrington, Natale, White, Maywood and Mayor O'Neill.

1. Recordkeeping Plan 2024015
2. Identified Areas for Improvement Report
3. Elected Member Record Keeping Policy

PURPOSE

It is recommended that Council endorse the attached Recordkeeping Plan 202415, which is inclusive of the Elected Member Record Keeping Policy.

EXECUTIVE SUMMARY

The *State Records Act 2000* (the Act) provides for the keeping of State records and related purposes. Section 19 of the Act requires every government organisation to have a Recordkeeping Plan, approved by the State Records Commission (SRC). SRC Standard 1 “Government Recordkeeping” require government organisations to ensure records are created, managed and maintained over time and disposed of in accordance with principles and standards issued by the SRC. SRC Standard 2 “Recordkeeping Plans” establishes minimum compliance requirements for an organisation’s Recordkeeping Plan.

BACKGROUND

The Town of East Fremantle is involved in a range of activities and make decisions on a daily basis that directly impacts our local community. These activities include waste management, recreational facilities, planning approvals, property lease arrangements, health inspections and pet management. In addition, councillors debate, set policy and make local government rules and resolutions: all of these activities generate records.

The purpose of the Recordkeeping Plan is to set out the matters regarding the creation and storage of the Town’s records. Recordkeeping Plans provide an accurate reflection of the organisation's recordkeeping program, which includes recordkeeping system(s), disposal arrangements, policies, processes and procedures. The Recordkeeping Plan is the primary means of providing evidence of compliance with the Act and ensuring best practices have been implemented across the organisation.

In accordance with Section 17 of the Act, the Town of East Fremantle including elected members, all employees and contractors are legally required to comply with the contents of this Recordkeeping Plan.

CONSULTATION

The Recordkeeping Plan has been approved by the State Records Commission.

STATUTORY ENVIRONMENT

The Recordkeeping Plan has been developed to meet the requirements of the *Local Government Act 1995*, *State Records Act 2000* and *Freedom of Information Act 1992*.

POLICY IMPLICATIONS

Appendix 5 of the RKP details relevant Policies:

- Elected Member Communication
- Information Classification
- Information Security
- Information Technology
- RKP for Elected Members
- Vital Records

FINANCIAL IMPLICATIONS

The Town engaged an external consultant to assist with the review of the RKP. This engagement was contained within the approved budget.

STRATEGIC IMPLICATIONS

The matter being put to the Council is likely to have a direct impact on the strategies of the Council.

5.1 Strengthen organisational accountability and transparency and

5.3 Strive for excellence in leadership and governance.

RISK IMPLICATIONS

RISKS

Risk	Risk Likelihood (based on history & with existing controls)	Risk Impact / Consequence	Risk Rating (Prior to Treatment or Control)	Principal Risk Theme	Risk Action Plan (Controls or Treatment proposed)
<ul style="list-style-type: none"> • Missed Deadlines. • Loss of Corporate History and Knowledge. • Workflow Inefficiencies. • Poor Response Time. • Mishandling of Information Due to Insufficient Controls. • Lack of Regulatory Compliance. • Inadequate Cash Flow. • Billing Practices. 	Possible (3)	Moderate (3)	Moderate (5-9)	COMPLIANCE Minor regulatory or statutory impact	Accept Officer Recommendation

RISK MATRIX

Consequence Likelihood		Insignificant	Minor	Moderate	Major	Extreme
		1	2	3	4	5
Almost Certain	5	Moderate (5)	High (10)	High (15)	Extreme (20)	Extreme (25)
Likely	4	Low (4)	Moderate (8)	High (12)	High (16)	Extreme (20)
Possible	3	Low (3)	Moderate (6)	Moderate (9)	High (12)	High (15)
Unlikely	2	Low (2)	Low (4)	Moderate (6)	Moderate (8)	High (10)
Rare	1	Low (1)	Low (2)	Low (3)	Low (4)	Moderate (5)

A risk is often specified in terms of an event or circumstance and the consequences that may flow from it. An effect may be positive, negative or a deviation from the expected and may be related to the following objectives: occupational health and safety, financial, service interruption, compliance, reputation and environment. A risk matrix has been prepared and a risk rating is provided below. Any items with a risk rating over 16 will be added to the Risk Register, and any item with a risk rating over 16 will require a specific risk treatment plan to be developed.

RISK RATING

Risk Rating	9
Does this item need to be added to the Town's Risk Register	No
Is a Risk Treatment Plan Required	Yes

SITE INSPECTION

COMMENT

Section 28 (5) of the *State Records Act 2000* requires that no more than five years must elapse between approval of a government organisations record keeping plan and a review of it. Thus, the Town's Record Keeping Plan was due to be reviewed in 2024, with the next review to be undertaken in 2029.

As part of the review, the Town also commissioned a maturity assessment of its record keeping framework which effectively was an internal audit activity. This document provides a roadmap of activities to drive continuous improvement.

CONCLUSION

The Recordkeeping Plan has been approved by the State Records Commission and endorsement of the Plan by Council is sought.

13.7 OFFICER RECOMMENDATION / COUNCIL RESOLUTION

Council Resolution 071510

OFFICER RECOMMENDATION:

Moved Cr Wilson, seconded Cr White

That Council with respect to the Town of East Fremantle Record Keeping Plan 2024:

- 1. endorses the State Records Office approved Town of East Fremantle Recordkeeping Plan 2024015, and**
- 2. adopts the Elected Member Record Keeping Policy which comprises part of the Town of East Fremantle Record Keeping Plan 2024.**

12 September 2024

Mr Jonathan Throssell
A/Chief Executive Officer
Town of East Fremantle
PO Box 1097
FREMANTLE WA 6959

Emailed to: admin@eastfremantle.wa.gov.au
Cc'd to: bbrowning@eastfremantle.wa.gov.au

Dear Mr Throssell

Amended Recordkeeping Plan RKP 2024015

At its meeting on 27 August 2024 the State Records Commission APPROVED the amended Recordkeeping Plan (the Plan) for the Town of East Fremantle (the Town).

I acknowledge that the Plan indicates a strong commitment to address certain matters, as identified in the attachment, and I would expect that the next review will reflect progress towards those improvements.

In accordance with section 28 of the *State Records Act 2000*, the Town's Plan is to be reviewed within five years of its approval date. Once completed, a report of the review must be submitted to the State Records Office by 27 August 2029.

Please contact my officer, Ms Tina Hoyland, if you require further assistance or clarification.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Damian'.

ATTACHMENT

Under SRC Standard 2:

Principle Two: Policies and Procedures

- Completion of the review of policies and procedures to reflect business process improvements to the Town's records management function.

Principle Four: Preservation

- Development and implementation of a Physical Record Disaster Recovery Plan to cover physical records held by the Town.
- Preparation of a Records Disaster Recovery Kit.

Principle Six: Compliance

- Provide a records management awareness session to Elected Members.
- Develop an annual refresher records and information management training for staff.
- Develop statistical reporting to determine the system usage and staff compliance levels of recordkeeping.

SRC Standard 6: Outsourced Functions

- Development of recordkeeping requirements into outsourced function contracts, covering each of the principles of SRC Standard 6: Planning, Ownership, Control, Disposal, Access, Custody & Contract Completion.

Introduction

This document is presented to the State Records Commission in accordance with Section 28 of the *State Records Act 2000* (the Act). Section 28 (5) of that Act requires that no more than 5 years must elapse between approval of a government organisation's record keeping plan and a review of it.

State Records Commission (SRC) Standard 1 – *Government record keeping* requires that government organisations ensure that records are created, managed and maintained over time and disposed of in accordance with principles and standards issued by the SRC. SRC Standard 2 – *Record keeping plans* comprises six record keeping principles each of which contains minimum compliance requirements.

The purpose of this Recordkeeping Plan is to set out the matters about which records are to be created by the Town of East Fremantle and how it is to keep its records. The Recordkeeping Plan is to provide an accurate reflection of the record keeping program within the organisation, including information regarding the organisation's record keeping system(s), disposal arrangements, policies, practices and processes. The Recordkeeping Plan is the primary means of providing evidence of compliance with the Act and the implementation of best practice record keeping within the organisation.

The objectives of the Town of East Fremantle RKP are to ensure:

- Compliance with Section 28 of the *State Records Act 2000*;
- Record keeping within the Local Government is moving towards compliance with State Records Commission Standards and Records Management Standard AS ISO 15489;
- Processes are in place to facilitate the complete and accurate record of business transactions and decisions;
- Recorded information can be retrieved quickly, accurately and cheaply when required; and the
- Protection and preservation of the Local Government's records.

In accordance with Section 17 of the Act, the Town of East Fremantle and all its employees are legally required to comply with the contents of this Plan.

This Recordkeeping Plan applies to all:

- Town of East Fremantle Employees;
- Town of East Fremantle Contractors;
- Organisations performing outsourced services on behalf of the Town of East Fremantle; and
- Town of East Fremantle Elected members.

Note: *The policy approach of the State Records Commission in monitoring the record keeping obligations in respect to local government elected members is:*

“In relation to the record keeping requirements of local government elected members, records must be created and kept which properly and adequately record the performance of member functions arising from their

Town of East Fremantle Recordkeeping Plan <RKP2024>

participation in the decision making processes of Council and Committees of Council.

This requirement should be met through the creation and retention of records of meetings of Council and Committees of Council of local government and other communications and transactions of elected members which constitute evidence affecting the accountability of the Council and the discharge of its business.

Local governments must ensure that appropriate practices are established to facilitate the ease of capture and management of elected members' records up to and including the decision making processes of Council."

Local governments are to address the management of elected members' government records in accordance with this policy, in their record keeping plans.

This Recordkeeping Plan supersedes RKP-2018037 and applies to all records created or received by any of the above parties, regardless of:

- Physical format;
- Storage location; or
- Date created.

For the purposes of this RKP, a record is defined as meaning "any record of information however recorded" and includes:

- (a) any thing on which there is writing or Braille;
- (b) a map, plan, diagram or graph;
- (c) a drawing, pictorial or graphic work, or photograph;
- (d) any thing on which there are figures marks, perforations, or symbols, having meaning for persons qualified to interpret them;
- (e) anything from which images, sounds, or writings can be reproduced with or without the aid of anything else; and
- (f) any thing on which information has been stored or recorded, either mechanically, magnetically, or electronically."

(State Records Act, 2000)

1 Principle One: Proper and Adequate Records

Government organisations ensure that records are created and kept which properly and adequately record the performance of the organisation's functions and which are consistent with any written law to which the organisation is subject when performing its functions.

1.1 Historical Background

East Fremantle, like the Melville Road Board district, originally formed part of the Fremantle Road Board and was incorporated with the Fremantle Municipality. The Municipality of East Fremantle was created on the 2nd of April 1897 when it separated from the greater Fremantle area. The first meeting of the East Fremantle Council was held on 14 August 1897. The Town is bound to the north and west by the Swan River. To the east it shares a common boundary with the City of Melville and to the south and west it shares a common boundary with the City of Fremantle.

1.2 Strategic Focus and Main Business Activity

The Town of East Fremantle has a Strategic Community Plan (2020 - 2030) which is a long-term planning document that sets out the community's vision, aspirations for the future, and the key strategies required to meet the community's aspirations.

Our Vision:

"Inclusive community and lifestyle, balancing growth and sustainability"

This reflects the new emphasis on embracing the diversity in the Town's community, including recognition of the Town's Aboriginal history and its contemporary Whadjuk community, and the priority given by the community to addressing challenges posed by climate change and its impacts on the Town's natural environment.

Key Focus Areas:

The vision of the Town will be realised by achieving positive results in the following key focus areas.

- A socially connected, inclusive and safe community;
- Sustainable, locally focused and easy to do business with;
- Accessible, well-planned built landscapes in balance with the Town's unique heritage and open spaces;
- Maintaining and enhancing our River foreshore and other green, open spaces with a focus on environmental sustainability and community amenity; and
- A proactive, approachable Council which values community consultation, transparency and accountability.

Town of East Fremantle Recordkeeping Plan <RKP2024>

1.3 Functions, including those outsourced

The Town of East Fremantle undertakes those functions indicated at **Appendix 1**.

The following services are outsourced:

- **IT Support Services:** Focus Networks
- **Archives and inactive records storage:** Grace
- **Waste Collection:** Veolia (merged with Suez)
- **Legal services:** McLeods
- **External auditors:** Office of the Auditor General
- **Library Services:** City of Fremantle
- **Building Services:** Inclusive Building Consultants
- **Website Host:** Market Creations

Refer to **Appendix 1** for further details.

1.4 Major Stakeholders

The Town of East Fremantle's major stakeholders are the East Fremantle community, elected members, employees, ratepayers and the general public.

The Town also recognises and supports the activities of those groups that also provide services to residents, including community groups, the business community and State and Federal government agencies.

1.5 Enabling Legislation

The Town of East Fremantle was established under the *Local Government Act 1995*.

1.6 Legislation and Regulations Administered by the Town of East Fremantle

Refer to **Appendix 2**.

1.7 Other Legislation Affecting the Town of East Fremantle

Refer to **Appendix 3**.

1.8 Major Government policy and/or Industry Standards

Refer to **Appendix 4**.

2 Principle Two: Policies and Procedures

Government organisations ensure that record keeping programs are supported by policy and procedures.

2.1 Records Management and Business Information Systems

The Town of East Fremantle uses Synergy Soft as its primary corporate records management system. The Town is currently reviewing its utility as an EDRMS and considering options for its replacement.

2.1.1 Records Management System

Synergy Soft integrated business system was implemented in early 2000 and has implemented the following processes within the Town's hybrid electronic / physical record environment:

Electronic Records

Electronic records are contained in either Synergy Soft, Office 365 SharePoint or on the Network Y Drive (corporate share drive).

- **SynergySoft**

The Town of East Fremantle uses Synergy Soft to store the following categories of records:

- Building and planning
- Finances, including Rates and Payroll
- Property mapping
- Animal management
- Infringements

- **Network Y Drive**

The Town acknowledges that the following categories of records are held in the corporate share drive:

- Building and planning
- Finances, including Rates and Payroll
- Animal management
- Infringements

- **SharePoint**

The Town of East Fremantle uses SharePoint to store the following categories of records:

- Registers (Contract Management/Risk Management)
- Knowledge Based Documents (Templates/Internal Policies/Forms/Procedures)
- External Council Policies
- Minutes and Agendas

These records will be migrated into the new EDRMS replacing the existing SynergySoft system, as per **Section 2.1**, by 2029. This migration timeframe is due to the size and cost of the replacement EDRMS project, and the time required for system implementation.

Incoming and Outgoing Correspondence and Emails

All incoming and outgoing mail is dealt with according to the following processes:

- Incoming physical mail is scanned in PDF(A) format and distributed to Action Officers;
- Incoming email to the Town's primary email address is registered in Synergy Soft prior to distribution to Action Officers;
- Outgoing documents and emails are registered into Synergy Soft by the individual Action Officer at time of creation.
- Emails received by Action Officers are registered into Synergy Soft by the individual staff member at the time of receipt.

Human Resource Records

Hard copy records pertaining to staff are secured in a locked filing cabinet in the HR Manager's office. These physical records are only accessible to HR staff. All digital human resource records are contained in Synergy Soft (Archived Records), H Drive and Definitiv (Current Records).

Hardcopy Records

Hard copy records are placed on folders relating to individual properties and the Town's functions and activities once the registration process above has been completed.

Property Plans

Hard copy property plans are stored onsite in the Records Room with archived plans stored off-site at the Grace Records storage facility in Forrestfield. These records are progressively digitised as part of a scan on demand service with Grace Consulting which is currently ongoing. All electronic property plans are stored in Y Drive and Synergy Soft.

Elected Member Records

The Town has adopted a Record Keeping Policy for Elected Members which is included as an appendix to this Record Keeping Plan. All Elected Members must ensure that all vital and significant records are sent as soon as practicable to the Records Officer / Admin Mailbox for capture into the record keeping system.

2.1.2 Business Information System/s

Other business information systems implemented by the Town include:

- **Definitiv**

Town of East Fremantle Recordkeeping Plan <RKP2024>

The Definitiv business information system is used to process payroll and contains payroll records. It is not integrated to the EDRMS.

- **CRM**

Record related to staff and client information are held in CRM. It is integrated into the EDRMS.

2.2 Records Management Policy and Procedures

The creation and management of records is coordinated by the Town of East Fremantle's Records Officer.

The Town has limited resources for administrative support; however, staff are made aware of their recordkeeping responsibilities and compliance with the Recordkeeping Plan with an initial induction session further ad-hoc sessions on recordkeeping responsibilities.

- For the record keeping policies of the Town of East Fremantle, please refer to **Appendix 5**
- For the record keeping procedures of the Town of East Fremantle, please refer to **Appendix 6**

Metadata management	Currently, services outsourced to Focus Networks. Systems management and migration strategy procedures are managed by the outsourced IT support service. The Town acknowledges that if at any time, the function of IT systems management is resumed by the Town then appropriate policies and procedures will be developed.	
System/s management		
Migration strategy		

Additional Information Regarding Recordkeeping Activities

- **Social Media Management**

The current social media policy only outlines the code of conduct for staff social media use. This policy will be amended to include guidelines for capture and storage of social media posts and records.

- **Website Management**

There is currently no existing policy for website management. This policy will be developed to amend this gap in the existing suite of records management policies.

2.3 Certification of Policies and Procedures

The policies and procedures of the Town of East Fremantle are not currently endorsed by senior management. The endorsement of all current policies will be undertaken as a matter of priority and has been listed as an improvement in Section 2.5.

2.4 Evaluation of Policies and Procedures

The record keeping policies and procedures for the Town of East Fremantle do not cover the following categories: digitisation of records, email records for Elected Members, and website management and will be amended to cover all categories identified in Principle 2 of SRC Standard 2 by December 2025.

2.5 Identified Areas for Improvement

The Town of East Fremantle has identified records that need to be migrated from the corporate share drive and MS Teams to the EDRMS. This is an area for improvement to be addressed in the coming year. The current Elected Member Communication policy and procedure does not clearly indicate the capture of emails and will be amended to

Town of East Fremantle Recordkeeping Plan <RKP2024>

address this. The Elected Members Recordkeeping Policy has been drafted and is under discussion. A full review of all the records management policies identified in section 2.4 will be undertaken by December 2024.

In future, the Town plans to change from Synergy Soft to another EDRMS that will be more suited to the evolving needs of Town and its records management requirements.

Task	Timeline
Formal adoption of policies requires development by 2025. Seek Senior Management endorsement of policies and ensure Policies are communicated to staff and reinforced.	December 2024
Work with outsourced provider to review controls around location of network servers, security measures for access to servers and network access.	December 2024
Elected Members Recordkeeping Policy has been drafted pending approval. Elected Members Recordkeeping Policy to be adopted by Council.	December 2024
Review all existing records management policies and update as required and seek formal adoption of policies.	December 2025
Review all existing records management procedures and update as required.	December 2025
Develop Website Management Policy and senior management endorsement of policy.	December 2025
Develop Website Management Procedure including capture of changes and creation of backups.	December 2025
Review and update naming conventions, business rules, classification scheme, and metadata captured.	December 2025
Develop Digitisation Policy according to SRO Digitisation Specifications and senior management endorsement of policy.	December 2025
Develop Digitisation Procedure to ensure the Town's source record digitisation meets the SRO Digitisation Specifications.	December 2025
Review and update the Social Media Policy.	December 2026
Finalise and implement Vital Records Policy and SharePoint Application.	December 2029
Develop a Microsoft 365 Compliance Framework for Records Management using SRO guidelines.	December 2029
Investigate the framework for working towards establishing a fully digital information management environment using SRO guidelines.	December 2029

3 Principle Three: Language Control

3.1 List of Authorised Headings

The Town of East Fremantle has developed a list of authorised headings to control the titling of records. The Records Index covers both administrative and functional records. The list of authorised headings is attached, please refer to **Appendix 7**.

3.2 Assessment of its Effectiveness

The list of authorised headings is inadequate for the business requirements of the Town of East Fremantle. It will be revised where necessary, amended and implemented for use by December 2024.

3.3 Identified Areas for Improvement

The list of authorised headings has been shown to be inadequate for the requirements of the Town of East Fremantle. The Town is currently undergoing review of the Records Index in order to make it fit for purpose and acknowledges that there are currently no policies for naming conventions to guide the titling of documents within the Synergy Soft system and corporate share drive. This has been marked as an issue and the Town plans to address these tasks as part of the project to implement a new EDRMS to replace Synergy Soft.

The Town plans to commence a project to review and migrate the records contained within the corporate share drive and Synergy Soft to the new EDRMS. The corporate share drive will be decommissioned at the closure of this project, as outlined in **Section 2.5**.

Task	Timeline
Records Index and Update Review to be undertaken and implemented.	December 2024
Naming Conventions for Electronic Documents to be developed and implemented.	December 2025
Naming Conventions for Y:\ Drive folders to be developed and implemented.	December 2025

4 Principle Four: Preservation

For the *IT Disaster Recovery Plan* for the Town of East Fremantle please refer to **Appendix 8**.

4.1 Assessment of Risks

4.1.1 On Site Storage

The Town of East Fremantle has its current and active records located in onsite storage at the Town's Administration Offices located at 135 Canning Highway East Fremantle. The storage facility includes:

- Metal shelving and compactus,
- Fire retardant safe,
- Secure premises,
- Fire detection system, and
- Air Conditioning during business hours.

The main disaster threatening records stored at this facility come from fire, vandalism or pests. With the storage conditions as described here, the risk is assessed as low.

4.1.2 Offsite Storage

The Town of East Fremantle has its non-current, inactive and archival records located in an offsite storage facility at Grace, located in Forrestfield, Western Australia. Grace provides:

- Security of facility;
- Fire detection and suppression system;
- Fire retardant cabinets;
- Air Conditioning for 24 hours per day;
- Metal shelving.

The main disaster threatening records stored at the offsite records storage facility comes from fire, vermin or pests. With the storage conditions as described here, the risk is assessed as low.

Records Stored by Other Offsite Organisations

The City of Fremantle's City Library stores 4 boxes of archival materials from the Town dated from 1928 to 1996. Conditions are appropriate for types of records and are held with existing collections held by the City of Fremantle.

The main disaster threatening records stored at the offsite records storage facility comes from fire, vandalism and vermin or pests. With the storage conditions as described here, the risk is assessed as low.

4.1.3 Data Centre and Cloud Storage

The Town of East Fremantle has entered into an arrangement with a third party to store electronic data and records in data centres as detailed in the table below. The arrangement includes provisions for security and access; preservation; and return of the data. A risk assessment was undertaken prior to the commencement of the data storage arrangement. As part of Town of East Fremantle's service agreement with Focus Networks, Focus Networks provides a data centre on behalf of the Town.

Information system / categories of records	Name of service provider	Geographic location of data centre / cloud storage	Geographic location of data centre / cloud storage backups	Risk assessed Y/N
All back up data as per retention policy	Focus Networks	Malaga, Western Australia	Malaga, Western Australia	Y

4.1.4 Storage of Archives

The Town's archives waiting for transfer to the State Archives Collection are stored in offsite facilities at Grace, and are maintained in accordance with the 'Directions for Keeping State Archives'. These records are to undergo an assessment to determine quantity.

4.1.5 Storage of Backups

Electronic backups of the Town of East Fremantle's electronic information are created by Focus Networks, who are contracted to undertake backups for the Town of East Fremantle. The backup regime ensures that server(s) are backed up hourly between the hours of 5AM to 9PM onto an onsite server. This process occurs 16 times every 24 hours 7 days per week.

The onsite server backups are replicated onto the Focus Networks offsite server which resides on Focus Networks premises. Military grade AES 128-bit encryption is utilised. This process occurs 16 times every 24 hours 7 days per week between the hours of 5AM and 9PM.

An onsite backup server is physically located onsite to retain six months' worth of backup history locally onsite. All backup data is encrypted (AES 128-bit) and replicates off site via encrypted Internet traffic to a secondary facility. This offsite location maintains an identical six-month repository of backup data before being archived to tape every six months. Tape archiving is performed on the 1st of July and the 1st of January to capture the previous complete six months of backup history. Tape archives are retained for seven years in a NT017 certified fireproof safe.

4.1.6 Quantity of Records

The Town of East Fremantle has custody of:

- 89.6 linear metres of active records stored in onsite storage;
- 307 linear metres of non-current, inactive and archival records stored offsite at Grace which includes hard copy State archives, as identified under a relevant approved retention and disposal authority; and
- 1.3 linear metres stored offsite at City of Fremantle Library.

4.1.7 Security and Access

Electronic Records

The Town has assessed the access to electronic records held in the EDRMS for risk and determined that the risk is low; due to Synergy Soft providing secure access to records to individual users based on their access requirements.

Physical Records

The risk to the security of the Town's physical records has been assessed as low; based on their location in secure storage, accessible only to staff with appropriate security provision. For further information, please refer to **Sections 4.1.1 / 4.1.2 / 4.1.4**.

4.2 Assessment of the Impacts of Disasters

As stated previously, the risk of a disaster occurring to the records of the Town of East Fremantle has been assessed as low to medium. The impact of a disaster on the organisation's records has therefore been assessed as low to medium. Currently, there are not sufficient strategies in place for physical records to ensure that business activities of the organisation are not unduly affected in the event of the more likely disasters occurring. The Town plans to create a Records Disaster Recovery Plan by the timeframe outlined in **Section 4.3** to address this concern.

4.3 Strategies in Place for Preservation and Response

The following strategies have been implemented by the Town of East Fremantle in order to reduce the risk of disaster and for quick response should a disaster occur:

4.3.1 Vital Records Program

A vital records program has been developed for the Town of East Fremantle. Vital records have been identified as:

- Council Minute books;
- Personnel records;
- Lease Agreements; and
- Contracts.

Town of East Fremantle Recordkeeping Plan <RKP2024>

Vital records in hard copy are stored in a locked, fire resistant safe, accessible to the Chief Executive Officer, Executive Manager Corporate Services, Manager Corporate Services and the Records Officer. These records have been copied and the copies are placed on the relevant files and are used for all normal business activities. The copied electronic vital records are held in Synergy Soft; where backups are managed as per **Section 4.1.5**.

4.3.2 Backup Procedures for Electronic Records

Please refer to **Section 4.1.5**.

4.3.3 Preservation of Electronic Records

Focus Networks is contracted to provide all IT management services to the Town of East Fremantle, and as such they are responsible for implementing the following processes to ensure that electronic records are accessible and readable for as long as required:

- Media used to store electronic information is periodically checked by Focus Networks according to backup frequency to ensure the information is accessible and readable;
- Digital storage media, including removable storage devices, is refreshed as necessary to prevent data loss as outlined in **Section 4.1.5** and
- Electronic records requiring long term retention are maintained in an appropriate format for long term preservation as outlined in **Section 4.1.5**.

4.3.4 Security

The following security measures have been implemented by the Town of East Fremantle to prevent unauthorized access to records:

- Hard copy records are stored in a locked, secure room accessible only to records staff. A digital label system is in place to enable the tracking of records.
- Hard copy records stored offsite are located at Grace, located in Forrestfield, WA. For further details regarding storage conditions please refer to section 4.1.2.
- Electronic records have varying degrees of electronic access depending on delegations assigned to staff within the organisation. Electronic records are backed up on a regular basis as described previously.
- Access to server rooms is restricted to authorised staff using swipe card access.

4.3.5 Storage Reviews

The records storage facilities utilised by the Town of East Fremantle are reviewed regularly on a weekly basis to ensure that conditions are appropriate for the organisation's records. For details of the last storage facility review please refer to section 4.1.1. The last review was undertaken on 12 March 2024. The Town intends to undertake a quarterly review of its offsite catalogue and verify the physical existence of the containers.

4.3.6 Recovery of Lost Information

The Town of East Fremantle has developed a set of quick response strategies to recover lost information, in all formats, should a disaster occur:

- Duplication of hard copy vital records;
- Back up of electronic records;
- Offsite storage of backups; and
- an IT Disaster Recovery plan.

4.4 Identified Areas for Improvement

At present, the Town does not have a *Physical Records Disaster Plan* and a *Physical Records Disaster Recovery Kit* comprising of equipment for use in the event of a disaster. The Town is currently identifying strategies to put in place for prevention and make recovery procedures more robust. The strategies in place to ensure that business activities of the organisation are not currently adequate. The current IT Disaster Recovery Plan only provides guidelines for the recovery of electronic records. Based on this, we plan to create a Records Disaster Recovery Plan by December 2024 to address this concern.

Task	Timeline
Development and implementation of a Physical Record Disaster Recovery Plan to cover physical records held by the Town.	December 2024
Prepare a Records Disaster Recovery Kit.	December 2024

5 Principle Five: Retention and Disposal

Government organisations ensure that records are retained and disposed of in accordance with an approved disposal authority.

5.1 General Retention and Disposal Authority for Local Government Information (GRDALG)

The Town of East Fremantle has not yet implemented the *General Retention and Disposal Authority for Local Government 2023*, produced by the State Records Office, for the retention and disposal of its records.

5.2 Disposal of Source Records

The Town of East Fremantle has established procedures to scan all incoming, hard copy, correspondence which will be updated to meet the requirements of the *General Disposal Authority for Source Records* and the *Digitisation Specification*.

The original hard copy correspondence, once reproduced electronically, will be treated as copies/duplicates and as such will be retained for the period required to meet operational requirements in line with the retention periods specified by the *General Disposal Authority for Source Records* and then destroyed, with the electronic duplicate treated as the original source and retained in line with the *General Retention and Disposal Authority for Local Government Information*.

Please see Section 5.10 for further information regarding these improvements.

5.3 Existing Ad Hoc Retention and Disposal Authorities

The Town of East Fremantle has no approved Ad Hoc retention and disposal authorities which have been implemented.

5.4 Existing Disposal Lists

The Town of East Fremantle does not have any existing Disposal Lists.

5.5 Restricted Access Archives

The Town of East Fremantle does not have any State archives to which it intends to restrict access when they are transferred to the SRO.

5.6 Transfer of Archives

The Town of East Fremantle is aware that:

Town of East Fremantle Recordkeeping Plan <RKP2024>

- Historical data is held by the State Records Office. Reference Code AU WA S2-cons5273EF1-5 Dates: 01.01.1980 – 31.12.1987.

An Archives Transfer Request form has not been submitted to the SRO.

The Town of East Fremantle will transfer State archives once identified to the State archives collection for permanent preservation when requested by the SRO.

5.7 Non-Transfer of Archives

The Town of East Fremantle has not identified any State archives that will not be transferred to the SRO for permanent preservation.

5.8 Retention and Disposal Program Implemented

The Town of East Fremantle has not yet implemented the *General Retention and Disposal Authority for Local Government 2023*. Disposal processing is currently on hold until the implementation of a replacement EDRMS.

No recent authorised list of records for disposal is available.

5.9 Authorisation for Disposal of Records

A list of records due for destruction is reviewed and authorised by the CEO, and Executive Manager Corporate and Community Service prior to disposal being undertaken.

For the *Data Destruction & Disposal Plan* for the Town of East Fremantle please refer to **Appendix 9**.

5.10 Identified Areas for Improvement

Task	Timeline
Scanning procedures to be updated in accordance with the requirements of the General Disposal Authority for Source Records and the Digitisation Specification.	December 2025
Implement <i>General Retention and Disposal Authority for Local Government 2023</i> into replacement EDRMS.	December 2029
Disposal is unable to be undertaken due to lack of functionality within current EDRMS. The disposal program will recommence with the implementation of a replacement EDRMS.	December 2029
Identify archives for transfer to SRO.	December 2029

6 Principle Six: Compliance

Government organisations ensure their employees comply with the record keeping plan.

6.1 Staff Training, Information Sessions

The Town of East Fremantle has implemented the following activities to ensure that all staff are aware of their record keeping responsibilities and compliance with the Recordkeeping Plan:

Table 6.1

Activities to ensure staff awareness and compliance	Yes	No
Presentations on various aspects of the Town of East Fremantle's record keeping program are conducted. These are delivered to all staff on a regular basis.	✓	
In-house record keeping training sessions for staff are conducted.	✓	
From time to time an external consultant is brought in to run a record keeping training session for staff. Staff are also encouraged to attend training courses outside the organisation whenever practicable.		✓
Staff information sessions are conducted on a regular basis for staff as required.	✓	
The Town of East Fremantle provides brochures or newsletters to publish record keeping information, highlight issues, or bring particular record keeping matters to staff attention.	✓	
The Town of East Fremantle's Office365 SharePoint is used to publish record keeping information, highlight issues, or bring particular record keeping matters to staff attention.	✓	
The Town of East Fremantle's Induction Program for new employees includes an introduction to the organisation's record keeping system and program, and information on their record keeping responsibilities.	✓	

Coverage of the training/information sessions as detailed here extends to all staff. However, records management staff are offered more frequent and more specialised training where required.

New employees are provided with the following information to ensure they are aware of their role and responsibilities in terms of record keeping within the Town of East Fremantle:

- Induction manual - please refer to Appendix 10
- Training program provided by the records manager - please refer to Appendix 11

Induction programs are provided for all staff coming into the Town of East Fremantle.

Town of East Fremantle Recordkeeping Plan <RKP2024>

6.2 Performance Indicators in Place

The following performance indicators have been developed to measure the efficiency and effectiveness of the Town of East Fremantle's record keeping systems:

- List of outstanding correspondence that requires action;
- Percentage of correspondence registered or captured into the record keeping system reports generated by Synergy Soft; and
- A staff survey eliciting feedback on the use & effectiveness of both the record keeping system and its respective training.

Records Survey – please refer to **Appendix 11**.

6.3 Agency's Evaluation

There is a need for a review of the Town of East Fremantle's record keeping systems in the following areas: policy and procedures, language control, preservation, retention and disposal and compliance. These will be addressed as per the *Identified Improvements* in each overarching section, with an overarching completion date of December 2029.

Please refer to **Appendix 11** for the previous evaluation.

6.4 Annual Report

An excerpt from the Town of East Fremantle's latest Annual Report is attached, demonstrating the organisation's compliance with the *State Records Act 2000*, its Recordkeeping Plan and the training provided for staff.

Please refer to **Appendix 12**.

6.5 Identified Areas for Improvement

The following tasks have been identified as areas for improvement for the Town:

Task	Timeline
Provide a records management awareness session to Elected Members.	Each election cycle
Develop an annual refresher records and information management training for staff.	December 2024
Develop records staff skills and knowledge.	December 2024
Survey staff bi- annually to identify improvements and focus areas.	December 2024
Develop statistical reporting to determine the system usage and staff compliance levels of recordkeeping.	December 2025
Create a list of performance indicators that will be regularly reviewed.	December 2025
Report feedback from staff surveys and staff participation in training.	December 2025

7 SRC Standard 6: Outsourced Functions

The purpose of this Standard, established under Section 61(1)(b) of the State Records Act 2000, is to define principles and standards governing contracts or arrangements entered into by State organisations with persons to perform any aspect of record keeping for the organisation.

State organisations may enter into contracts or other arrangements whereby an individual or an organisation is to perform a function or service for the State organisation, or act as the State organisation's agent to deliver services to clients, or for the State organisation's own use. The general term 'outsourcing' is used for such arrangements.

Contractual arrangements should provide that the contractor create and maintain records that meet the State organisation's legislative, business and accountability requirements.

7.1 Outsourced Functions Identified

Refer to **Section 1.3** and **Appendix 1** for those functions identified.

7.2 Record keeping Issues Included in Contracts

7.2.1 Planning

The Town of East Fremantle plans to include the creation and management of proper and adequate records of the performance of the outsourced functions detailed above, in the planning process for the outsourced functions.

7.2.2 Ownership

The Town of East Fremantle will ensure that the ownership of State records is addressed and resolved during outsourcing exercises. Where possible this will be included in the signed contract/agreement.

7.2.3 Control

The Town of East Fremantle will ensure that the contractor creates and controls records in electronic or hard copy format, in accordance with record keeping standards, policies, procedures and guidelines stipulated by the Town of East Fremantle.

7.2.4 Disposal

The disposal of all State records which are the product of or are involved in any contract with the Town of East Fremantle and a contractor will be disposed of in accordance with the *General Retention and Disposal Authority for Local Government Information*, produced by the State Records Office.

7.2.5 Access

Conditions for the provision of access to any State records produced in the course of the contract will be agreed between the Town of East Fremantle and the contractors.

7.2.6 Custody

Custody arrangements between the Town of East Fremantle and the contractors for State records stored on and off site by the contractor will be specified in the contract as outlined in **Section 7.3**.

7.2.7 Contract Completion

All arrangements regarding record custody, ownership, disposal and transfer upon the completion of the contracts will be formally specified in the contracts as outlined in **Section 7.3**.

7.3 Identified Areas for Improvement

Task	Timeline
Develop recordkeeping for outsourced services agreement clauses and implement.	December 2024.
Develop checklist to guide future agreements and recordkeeping requirements.	December 2024
Include recordkeeping requirements into outsourced function contracts, covering the each of the principles of SRC Standard 6: Planning, Ownership, Control, Disposal, Access, Custody & Contract Completion.	December 2024

8 APPENDICES

(Please contact TOEF for further inspection of these attachments if not included within the attached submission folder)

APPENDIX 1

FUNCTIONS OF THE LOCAL GOVERNMENT			
<i>Function</i>	<i>Brief Description of LG Function</i>	<i>Performed by the LG Tick if Yes</i>	<i>Performed by an External Agency Tick if Yes</i>
Commercial Activities	The function of competing commercially or providing services to other local governments or agencies on a fee for service basis. Includes undertaking activities on a consultancy or contract basis.	✓	
Community Relations	The function of establishing rapport with the community and raising and advancing the Council's public image and its relationships with outside bodies, including the media and the public. Library Services: City of Fremantle	✓	✓
Community Services	The function of providing, operating or contracting services to assist local residents and the community.	✓	
Corporate Management	The function of applying broad systematic planning to define the corporate mission and determine methods of the LG's operation.	✓	
Council Properties	The function of acquiring, constructing, designing, developing, disposing and maintaining facilities and premises owned, leased or otherwise occupied by the LG.	✓	
Customer Service	The function of planning, monitoring and evaluating services provided to customers by the council.	✓	
Development & Building Controls	The function of regulating and approving building and development applications for specific properties, buildings, fences, signs, antennae, etc. covered by the Building Code of Australia and the Environment Protection Authority (EPA). Inclusive Building Consultants	✓	✓
Economic Development	The function of improving the local economy through encouragement of industry, employment, tourism, regional development and trade.	✓	
Emergency Services	The function of preventing loss and minimising threats to life, property and the natural environment, from fire and other emergency situations.	✓	
Energy Supply & Telecommunications	The function of providing infrastructure services, such as electricity, gas, telecommunications, and alternative energy sources. Focus Networks		✓

Town of East Fremantle Recordkeeping Plan <RKP2024>

FUNCTIONS OF THE LOCAL GOVERNMENT			
<i>Function</i>	<i>Brief Description of LG Function</i>	<i>Performed by the LG Tick if Yes</i>	<i>Performed by an External Agency Tick if Yes</i>
Environmental Management	The function of managing, conserving and planning of air, soil and water qualities, and environmentally sensitive areas such as remnant bushlands and threatened species.	✓	
Financial Management	The function of managing the LG's financial resources. External auditors: Office of the Auditor General	✓	✓
Governance	The function of managing the election of Council representatives, the boundaries of the LG, and the terms and conditions for elected members.	✓	
Government Relations	The function of managing the relationship between the Council and other governments, particularly on issues which are not related to normal Council business such as Land Use and Planning or Environment Management.	✓	
Grants & Subsidies	The function of managing financial payments to the LG from the State and Federal Governments and other agencies for specific purposes.	✓	
Information Management	The function of managing the LG's information resources, including the storage, retrieval, archives, processing and communications of all information in any format. Archives and inactive records storage: Grace Records Management	✓	✓
Information Technology	The function of acquiring and managing communications and information technology and databases to support the business operations of the LG. IT Support Services: Focus Networks Website Host: Market Creations		✓
Land Use & Planning	The function of establishing a medium to long term policy framework for the management of the natural and built environments.	✓	
Laws & Enforcement	The function of regulating, notifying, prosecuting, and applying penalties in relation to the Council's regulatory role.	✓	
Legal Services	The function of providing legal services to the LG. McLeods Lawyers		✓
Parks & Reserves	The function of acquiring, managing, designing and constructing parks and reserves, either owned or controlled and managed by the LG.	✓	
Personnel	The function of managing the conditions of employment and administration of personnel at the LG, including consultants and volunteers.	✓	

Town of East Fremantle Recordkeeping Plan <RKP2024>

FUNCTIONS OF THE LOCAL GOVERNMENT			
<i>Function</i>	<i>Brief Description of LG Function</i>	<i>Performed by the LG Tick if Yes</i>	<i>Performed by an External Agency Tick if Yes</i>
Plant, Equipment & Stores	The function of managing the purchase, hire or leasing of all plant and vehicles, and other equipment. Includes the management of the LG's stores. Does not include the acquisition of information technology and telecommunications.	✓	
Public Health	The function of managing, monitoring and regulating activities to protect and improve public health under the terms of the Public Health Act, health codes, standards and regulations.	✓	
Rates & Valuations	The function of managing, regulating, setting and collecting income through the valuation of rateable land and other charges.	✓	
Recreation & Cultural Services	The function of LG in arranging, promoting or encouraging programs and events in visual arts, craft, music, performing arts, sports and recreation, cultural activities and services.	✓	
Risk Management	The function of managing and reducing the risk of loss of LG properties and equipment and risks to personnel.	✓	
Roads	The provision of road construction and maintenance of rural roads and associated street services to property owners within the LG area.	✓	
Sewerage & Drainage	The function of designing and constructing, maintaining and managing the liquid waste system, including drainage, sewerage collection and treatment, stormwater and flood mitigation works. Waste Collection: Veolia		✓
Traffic & Transport	The function of planning for transport infrastructure and the efficient movement and parking of traffic. Encompasses all service/facilities above the road surface and includes all forms of public transport.	✓	
Waste Management	The function of providing services by the LG to ratepayers for the removal of solid waste, destruction and waste reduction. Veolia Recycling & Recovery		✓
Water Supply	The function of managing the design, construction, maintenance and management of water supplies, either by the LG or by service providers.		✓

Town of East Fremantle Recordkeeping Plan <RKP2024>

ANNUAL REPORT EXTRACT 2022 - 2023

Record Keeping Plan (RKP)

The Town has an ongoing commitment to recordkeeping in accordance with the *State Records Act 2000* and *Records Management Standard AS ISO 15489* which is supported through the use of a corporate electronic document management system (EDRMS). The Town's Recordkeeping Plan (RKP) details the process for management and disposal of records which are entered into the electronic records system.

The Town is currently reviewing its RKP as the existing document is reaching five (5) years. The activities involved with the review include:

- Undertaking a maturity audit of the Town's record keeping practices.
- Amend the RKP as required using the State Records Office Local Government RKP template.
- Consult with staff on the development of an action plan, resources and timeline for all identified areas of improvement.

National Competition Policy

The Competition Principles Agreement is an intergovernmental agreement between the Commonwealth and State / Territory Governments that sets out how government will apply National Competition Policy (NCP) principles to public sector organisations within their jurisdiction.

The State Government released a Policy Statement effective from July 1996 called the Clause 7 Statement, which forms part of the Competition Principles Agreement. The Clause 7 policy document sets out nominated principles from the Agreement that now apply to Local Government.

The provisions of Clause 7 of the Competition Principles Agreement require local government to report annually as to the implementation, application and effects of the Competition Policy. The Competition Principles Agreement, under Clause 7, specifies three broad areas of reporting. These are:

- Competitive Neutrality.
- Structural Review of Public Monopolies.
- Legislative Review.

In accordance with the requirements of the National Competition Policy, the Town of East Fremantle makes the following disclosures for 2022-2023:

Competitive Neutrality

The objective of competitive neutrality is introducing measures which effectively remove any net competitive advantages arising as a result government ownership of a business entity. The Town of East Fremantle has previously assessed its operations and considers that it does not have any business activity that would be classed as significant under the current guidelines.

The Town of East Fremantle does not operate a business enterprise that has been classified by the Australian Bureau of Statistics as either a Public Trading Enterprise or Public Financial Enterprise. All activities within the Town are continually being examined to identify opportunities to generate efficiency improvements. This must be balanced with the type and level of service provision and statutory requirements.

The number of activities to which competitive neutrality principles have been applied in the reporting period is Zero (0). The number of activities to which competitive neutrality principles have been considered but not applied in the reporting period is zero (0).

During the reporting period the Town did not become aware of any allegations of non-compliance with the competitive neutrality principles made by a private entity against the Town. In the year under review the Town undertook no activities that met the financial benchmark.

Legislative Review

All local laws have been reviewed for compliance with NCP and all amendments to existing, and all future local laws are monitored to ensure no anti-competitive practices are included. In the year under review the Town undertook no activities that met the financial benchmark.

Structural Reform of Public Monopolies

The Town of East Fremantle is not classified as a natural monopoly, nor does it conduct any business activities that could be classified as public monopolies.

Freedom of Information

The *Freedom of Information Act 1992* allows the public the right to apply for access to information held by the Town of East Fremantle. The Act requires the adoption of a Freedom of Information Statement, to be reviewed annually. A copy of the current statement is available on the Town's website. During the year under review the Town received nine (9) applications for information under the Act.

INTRODUCTION

Information Proficiency has completed the following Identified Areas for Improvement Report as per instructions from Town of East Fremantle.

The report has been provided in a table which outlines the previous improvements and estimated timelines listed within the 2018 Recordkeeping Plan and the current status of these improvements and the tasks still outstanding for these improvements. This review is based on review of existing documentation and staff interviews.

The following staff members were interviewed as a part of this assessment:

- Fiona Hackett – Records Management Officer
- Peter Kocian – Executive Manager Corporate Services
- Larisa Motton – Manager Marketing and Communications

The following staff members were unavailable for interview:

- Bron Browning – Manager Corporate Services

A list of documentation provided by the Town of East Fremantle and reviewed by the consultant is listed in Appendix A.

1.1.12 Recordkeeping for Elected Members **DRAFT**

Type:	Office of the CEO
Legislation:	State Records Act 2000
Delegation:	
Other Related Document:	

Objective

The State Records Act 2000 is the primary legislation that governs recordkeeping in Western Australia.

The State Records Commission was established under the terms of Part 8 of the State Records Act 2000.

The State Records Commission's policy for Local Government Elected Members records is as follows:

"In relation to the recordkeeping requirements of local government elected members, records must be created and kept which properly and adequately record the performance of member functions arising from their participation in the decision-making processes of Council and Committees of Council.

This requirement should be met through the creation and retention of records of meetings of Council and Committees of Council of local government and other communications and transactions of elected members which constitute evidence affecting the accountability of the Council and the discharge of its business.

Local governments must ensure that appropriate practices are established to facilitate the ease of capture and management of elected members' records up to and including the decision-making processes of Council."

This policy has been prepared for Elected Members to assist them in meeting their recordkeeping requirements.

Policy Scope

The Town of East Fremantle recognises that its records are an important information resource and that sound records management practices will contribute to the overall efficiency and effectiveness of the organisation.

Good records management practices also enable:

- Access to accurate information
- Demonstration of accountability
- Evidence of events and decisions
- Compliance with legislative requirements; and

- Provision of a historical record for the business and society

Complete and accurate records of all business decisions and transactions regardless of format are to be retained by all Elected Members. If requested by the Town of East Fremantle's administration, these are to be provided to the Records Officer to be recorded in the Town of East Fremantle's recordkeeping system and managed in accordance with legislative requirements, the Town of East Fremantle Recordkeeping Plan and Records Management Policies and Procedures.

Policy

Creating and Keeping Records

All Elected Members are to create and maintain records relating to their role as an Elected Member, which convey information relating to local government business or functions. These records can be forwarded to the Records Officer/Governance Officer for capture into the Town of East Fremantle's recordkeeping system.

Elected Members must ensure that:

- Records relating to the business of the local government are distinguished from those that relate to their political responsibilities or any personal matters.
- Records in their possession are securely stored and protected from damage and unauthorised access.
- All records created are dated and the originator is identified.
- Records are factual and non-emotive as they could be subject to Freedom of Information application/s.

Refer to Appendix 1 – Information Sheet produced by the State Records Office of WA "Local Government Elected Members Records: Which Records to Capture?" for examples of what should be captured into the Town of East Fremantle's recordkeeping system.

Disposal of Records

Disposal of records is by way of archiving (either with the State Records Office or within the local government as a state archive), permanent retention within the local government, or destruction.

Elected Members must not personally undertake destruction of any records.

At the end of an Elected Member's term in office, any original records in their possession must be retained by the Elected Member or, alternatively, returned to the Town of East Fremantle's Records Management Services via the Personal Assistant to the Mayor.

Records Management Services will then arrange for the destruction or retention of the records in accordance with the General Disposal Authority for Local Government Records*.

Any copies of records held by an Elected Member can be destroyed by way of shredding at the end of their term in office. Alternatively, the copies (clearly marked as such) can be returned to the Personal Assistant to the Mayor who will arrange for them to be destroyed.

Procedures

Incoming Correspondence

All mail received by the Town of East Fremantle addressed to Elected Members, excluding that which is marked private, personal or confidential, will be opened by the Records Officer and processed with the rest of the organisation's incoming mail.

The hard copy documents will be retained within the Records department and filed accordingly, in compliance with the General Disposal Authority for Local Government Records.

Incoming mail for Elected Members that is considered to be ephemeral*, party political or personal will not be scanned into the recordkeeping system and instead will be given to the Personal Assistant to the Mayor who will arrange for it to be forwarded to the Elected Member.

Mail received directly by Elected Members at their personal address, that relates to local government business, should be forwarded to the Town of East Fremantle's Records Officer via admin@eastfremantle.wa.gov.au for recording in the recordkeeping system and for appropriate storage and retention.

Elected Members Responses

If an Elected Member responds directly to a ratepayer / customer (other than simply providing a routine reply or information), a copy of the response should be provided to the Town of East Fremantle for capture into the recordkeeping system. This can be done by:

- Cc'ing or forwarding a copy of the emailed response to the Records Officer/Governance Officer who will register the email in the recordkeeping system, or
- Scanning the response and emailing it to the Records Officer/Governance Officer who will register the response in the recordkeeping system, or
- Sending a hard copy of the response to the Records Officer/Governance Officer who will scan and register the response in the recordkeeping system.
- Making a record of a verbal response in the form of a file note or record of conversation and sending a copy by email or in hard copy to the Records Officer/Governance Officer who will register it into the recordkeeping system.

It is acknowledged that a lot of ratepayer / customer communication is done on an informal basis and where these discussions do not impact on the business outcomes of the Town of East Fremantle; a record does not need to be captured into the Town of East Fremantle's recordkeeping system.

Emails

All emails that are Records sent to, or by, the Mayor will be registered into the recordkeeping system by the Personal Assistant to the Mayor.

Emails marked to the attention of an Elected Member/s (including those that are cc'd to an Elected Member or include an Elected Member in the To field) that are sent to the Town of East Fremantle's main email address admin@eastfremantle.wa.gov.au will be registered into the recordkeeping system by the Records Officer.

If an Elected Member receives an email directly to their Town of East Fremantle email address (or to any other personal email address) that relates to local government business; and has not been sent to or cc'd to admin@eastfremantle.wa.gov.au; a copy of the email (and any responses sent by the Elected Member) must be forwarded to the Records Officer/Governance Officer who will register the email/s into the recordkeeping system.

Definitions

Ephemeral Records

Ephemeral records include information that has a very short-term value and typically does not need to be captured into a business information system for the purposes of retention.

General Disposal Authority (GDA) for Local Government Records

The General Disposal Authority for Local Government Records is approved by the State Records Commission and is designed to provide consistency throughout local government in disposal activities and decisions. It is the official and continuing authority for the disposal of local government records within Western Australia.

Business, Corporate or Government Records

A business, corporate or government record is information recorded in any form that is created or received and maintained by an organisation in the transaction of business and kept as evidence of such activity.

Significant Records

Significant records are records that are designated as State archives.

If the activity has any of the following characteristics, it is deemed significant:

- substantially impacts the whole-of-local-government function
- substantially impacts the implementation or development of legislation, regulations or local government policy
- substantially impacts the local government's business, structure or policy
- substantially impacts obligations, responsibilities or liabilities of local government or the State
- sets a legal or substantive precedent
- generates or involves substantial community or public interest, debate or controversy
- involves innovative, unique or precedent-setting practices, techniques or methods

Many functions/activities will have records that are Significant and records that are not hence the GRDA having **Significant** and **Other** at many entries in the GRDA, e.g.

No	Function/Activity	Description	Disposal Action	Custody
63	INSPECTIONS	Official examinations...		
63.1	Significant	Significant inspections or tests, that may relate to:...	Archive	Retain as State Archive
63.2	Other	Other inspections, not included in previous section. Includes: • routine inspections relating to...	Destroy	Retain 7 years after action completed, then Destroy

Vital Records

Vital Records are records that are required to operate the organisation during a disaster and/or required to re-establish the organisation after a disaster situation.

Records Management Advice

October 2019

Local Government Elected Members' Records: Which records to capture?

Elected members have a unique and pivotal role within the local government and the community. They represent the interests of electors, residents and ratepayers, participate in local government decision making at council and committee meetings, and facilitate communication between the community and the Council.

The State Records Commission policy regarding the records of local government elected members requires the creation and retention of records of the:

"...communications and transactions of elected members which constitute evidence affecting the accountability of the Council and the discharge of its business."

This policy applies regardless of a record's format or where it was received.

Under the *Local Government Act 1995*, the CEO of a local government is responsible for ensuring that all records of that local government are kept in accordance with relevant legislation. Accurately created and managed records provide reliable, legally verifiable evidence of decisions and actions.

Records created or received by elected members that relate to local government business must be captured as part of the local government's corporate memory in accordance with the local government's Recordkeeping Plan.

Government records include:

- Correspondence and communications
- File notes made after verbal communications, meetings, phone calls etc.
- Video and audio recordings
- Photographs
- Email
- Social Media posts (e.g. Facebook, Twitter)
- Databases
- Websites
- Messages from Apps (e.g. WhatsApp, Messenger)
- TXT messages

When to create and capture a record:

- Information is related to council business
- An action is required
- A decision or commitment is made
- Business need: for future reference by yourself or others
- Historical: identifies Council activity over time.

State Records Office of Western Australia

www.sro.wa.gov.au

Which records should be captured?

YES – forward to your local government administration
Communications, such as: <ul style="list-style-type: none"> • complaints and compliments • correspondence concerning corporate matters • submissions, petitions and lobbying • information for Council's interest relating to local government business activity and functions
Lobbying – correspondence or petitions, relating to lobbying matters
Telephone, meetings and other verbal conversations – regarding local government projects or business activities
Social Media – where the posts: <ul style="list-style-type: none"> • create interest from the public or media • communicate decisions or commit the local government to an action • seek feedback • address issues of safety, and/or • relate to sensitive or contentious issues
Work diaries / Appointment books – containing information that may be significant to the conduct of the elected member on behalf of the local government
Allowances, benefits and gifts records
Addresses / Speeches / Presentations – delivered as part of an elected member's official duties

NO – do not need to be forwarded to your local government
Duplicate copies – of Council meeting agenda, minutes and papers
Draft documents or working papers – which are already captured at the local government
Publications – such as newsletters, circulars and journals
Invitations – to community events where an elected member is <i>not</i> representing Council or the local government
Telephone, meetings and other verbal conversations which: <ul style="list-style-type: none"> • convey routine information only; or • do not relate to local government business or functions
Electioneering – or party-political information
Personal records – not related to an elected member's official duties

Confidential Documents / Records

Records held within an information system or on hard copy files can be restricted so that only the appropriate officers can access them. If the elected member believes that some of the documentation required for capture into the IMS is of a highly sensitive or confidential nature, the Elected Member should advise the local government to treat the information as confidential and restrict access to those records.

13.8 LOCAL GOVERNMENT ELECTIONS - ADVOCACY POSITIONS

Report Reference Number	OCR-3089
Prepared by	Janine May, EA/Governance Coordinator
Supervised by	Jonathan Throssell, Chief Executive Officer
Meeting date	Tuesday, 15 October 2024
Voting requirements	Simple majority
Documents tabled	Nil
Attachment	Nil

PURPOSE

To consider providing a Town decision on WALGAs advocacy positions as they relate to Local Government Elections.

EXECUTIVE SUMMARY

WALGA recently undertook a comprehensive review and analysis of 5 ordinary election cycles up to and including the 2023 Local Government election against the backdrop of legislative reforms to the Local Government electoral process. The review and report focused on postal elections conducted exclusively by the Western Australian Electoral Commission (WAEC), with the analysis finding evidence of the rising cost of conducting Local Government elections in Western Australia.

BACKGROUND

The *Local Government Amendment Act 2023* introduced a range of electoral reforms that came into effect prior to the 2023 Local Government ordinary elections:

- the introduction of Optional Preferential Voting (OPV);
- extending the election period to account for delays in postal services;
- changes to the publication of information about candidates;
- backfilling provisions for extraordinary vacancies after the 2023 election;
- public election of the Mayor or President for larger Local Governments;
- abolishing wards for smaller Local Governments; and
- aligning the size of councils with the size of populations of each Local Government (change to representation)

Following requests from several Zone's, WALGA undertook a comprehensive review and analysis of 5 ordinary election cycles up to and including the 2023 Local Government election against the backdrop of these legislative reforms. The review and report focused on postal elections conducted exclusively by the Western Australian Electoral Commission (WAEC), with the analysis finding evidence of the rising cost and a reduction in service of conducting Local Government elections in Western Australia.

RISK IMPLICATIONS

RISKS

Risk	Risk Likelihood (based on history & with existing controls)	Risk Impact / Consequence	Risk Rating (Prior to Treatment or Control)	Principal Risk Theme	Risk Action Plan (Controls or Treatment proposed)
To not provide a position on the issues raised	Unlikely (2)	Minor (2)	Low (1-4)	COMPLIANCE Minor regulatory or statutory impact	Accept Officer Recommendation

RISK MATRIX

Consequence		Insignificant	Minor	Moderate	Major	Extreme
Likelihood		1	2	3	4	5
Almost Certain	5	Moderate (5)	High (10)	High (15)	Extreme (20)	Extreme (25)
Likely	4	Low (4)	Moderate (8)	High (12)	High (16)	Extreme (20)
Possible	3	Low (3)	Moderate (6)	Moderate (9)	High (12)	High (15)
Unlikely	2	Low (2)	Low (4)	Moderate (6)	Moderate (8)	High (10)
Rare	1	Low (1)	Low (2)	Low (3)	Low (4)	Moderate (5)

A risk is often specified in terms of an event or circumstance and the consequences that may flow from it. An effect may be positive, negative or a deviation from the expected and may be related to the following objectives: occupational health and safety, financial, service interruption, compliance, reputation and environment. A risk matrix has been prepared and a risk rating is provided below. Any items with a risk rating over 16 will be added to the Risk Register, and any item with a risk rating over 16 will require a specific risk treatment plan to be developed.

RISK RATING

Risk Rating	1
Does this item need to be added to the Town's Risk Register	No
Is a Risk Treatment Plan Required	No

COMMENT

The Elections Analysis Review and Report was presented to State Council 4 September 2024, with State Council supporting a review of WALGA's Local Government Elections Advocacy Positions.

WALGA is requesting councils consider the current and alternative Elections Advocacy Positions and provide a response back to WALGA for the December 2024 State Council meeting.

WALGA State Council current advocacy positions:

The following is a summary of WALGA's current Advocacy Positions in relation to Local Government Elections:

2.5.15 ELECTIONS

Position Statement	<p>The Local Government sector supports:</p> <ol style="list-style-type: none"> 1. Four year terms with a two year spill 2. Greater participation in Local Government elections 3. The option to hold elections through: <ul style="list-style-type: none"> • Online voting • Postal voting, and • In-person voting 4. Voting at Local Government elections to be voluntary 5. The first past the post method of counting votes <p>The Local Government sector opposes the introduction of preferential voting, however if 'first past the post' voting is not retained then optional preferential voting is preferred.</p>
Background	The first past the post (FPTP) method is simple, allows an expression of the electorate's wishes and does not encourage tickets and alliances to be formed to allocate preferences.
State Council Resolution	<p>February 2022 – 312.1/2022</p> <p>December 2020 – 142.6/2020</p> <p>March 2019 – 06.3/2019</p> <p>December 2017 – 121.6/2017</p> <p>October 2008 – 427.5/2008</p>
Supporting Documents	<p>Advocacy Positions for a New Local Government Act</p> <p>WALGA submission: Local Government Reform Proposal (February 2022)</p>

2.5.16 METHOD OF ELECTION OF MAYOR

Position Statement	Local Governments should determine whether their Mayor or President will be elected by the Council or elected by the community.
State Council Resolution	<p>February 2022 – 312.1/2022</p> <p>March 2019 – 06.3/2019</p> <p>December 2017 – 121.6/2017</p>

2.5.18 CONDUCT OF POSTAL ELECTIONS

Position Statement	The <i>Local Government Act 1995</i> should be amended to allow the Australian Electoral Commission (AEC) and any other third party provider including Local Governments to conduct postal elections.
Background	Currently, the WAEC has a legislatively enshrined monopoly on the conduct of postal elections that has not been tested by the market.
State Council Resolution	<p>May 2023 – 452.2/2023</p> <p>March 2019 – 06.3/2019</p> <p>December 2017 – 121.6/2017</p>

March 2012 – 24.2/2012

WALGA has requested the following advocacy positions be considered by councils:

1. PARTICIPATION

(a) The sector continues to support voluntary voting at Local Government elections.

OR

(b) The sector supports compulsory voting at Local Governments elections.

2. TERMS OF OFFICE

(a) The sector continues to support four-year terms with a two year spill;

OR

(b) The sector supports four-year terms on an all in/all out basis.

3. VOTING METHODS

(a) The sector supports First Past the Post (FPTP) as the preferred voting method for general elections. If Optional Preferential Voting (OPV) remains as the primary method of voting, the sector supports the removal of the 'proportional' part of the voting method for general elections

OR

(b) The sector supports Optional Preferential Voting (OPV) as the preferred voting method for general elections.

4. INTERNAL ELECTIONS

(a) The sector supports First Past the Post (FPTP) as the preferred voting method for all internal elections.

OR

(b) The sector supports Optional Preferential Voting (OPV) as the preferred voting method for all internal elections.

5. VOTING ACCESSIBILITY

The sector supports the option to hold general elections through:

(a) Electronic voting; and/or

(b) Postal voting; and/or

(c) In-Person voting.

6. METHOD OF ELECTION OF MAYOR

The sector supports:

(a) As per the current legislation with no change – Class 1 and 2 local governments directly elect the Mayor or President (election by electors method), with regulations preventing a change in this method.

- (b) Return to previous legislated provisions – all classes of local governments can decide, by absolute majority, the method for electing their Mayor or President.
- (c) Apply current provisions to all Bands of Local Governments – apply the election by electors method to all classes of local governments.

CONCLUSION

Council's previous position has been generally in line with the WALGA Advocacy Positions listed above.

13.8 OFFICER RECOMMENDATION / COUNCIL RESOLUTION

Council Resolution 081510

OFFICER RECOMMENDATION:

Moved Cr Donovan, seconded Cr Natale

That Council recommends WALGA adopts the following Local Government Election Advocacy Positions:

- 1. PARTICIPATION**
The sector continues to support voluntary voting at Local Government elections.
- 2. TERMS OF OFFICE**
The sector continues to support four-year terms with a two year spill.
- 3. VOTING METHODS**
The sector supports First Past the Post (FPTP) as the preferred voting method for general elections. If Optional Preferential Voting (OPV) remains as the primary method of voting, the sector supports the removal of the 'proportional' part of the voting method for general elections
- 4. INTERNAL ELECTIONS**
The sector supports First Past the Post (FPTP) as the preferred voting method for all internal elections.
- 5. VOTING ACCESSIBILITY**
The sector supports the option to hold general elections through:
 - (a) Electronic voting; and/or
 - (b) Postal voting; and/or
 - (c) In-Person voting.
- 6. METHOD OF ELECTION OF MAYOR**
The sector supports return to previous legislated provisions – all classes of local governments can decide, by absolute majority, the method for electing their Mayor or President.
