## Rubbish Services Fees and Conditions

- Rubbish Services are as per the Town of East Fremantle's Schedule of Fees and charges.
- Rubbish Service Fees are an annual fee calculated on a pro-rata basis for ratable properties from the date the bin is delivered to the property. (Residential properties receive a 3-bin FOGO service within their rates, pro-rata fees apply to additional services).
- Additional charges will continue and be reflected on your rates notice until the Town of East Fremantle is advised in writing that you wish to discontinue the additional service.
- Provided all required information has been submitted to the Town, please allow up to seven business days for your request to be actioned.
- The Town undertakes random waste auditing annually. Residences that repeatedly misuse bins may have their bins removed (following discussions with the owner/occupier).
- The Town is committed to reducing its waste impact and is within its rights to reject additional bin requests.
