#### Objective

This Dog Management Policy is an advisory document that complements the *Dog Act 1976* (as amended), which has the necessary legislative and regulatory powers. The terms used in the Policy have the same meaning as in the Act, unless otherwise defined in this document.

The objectives of this policy are to:

- a) actively support and promote responsible dog ownership through the development of a code relating to responsible ownership of dogs, community education, and the provision of information accessible via a range of media, including the internet, direct customer contact, and Town of East Fremantle’s publications.
- b) strive to achieve a balance between the needs of residents who own dogs and those that don’t in the evaluation of future recreational and strategic development processes.
- c) provide, and regularly review, those areas where dogs are permitted, both on-lead and off-lead, and areas where dogs are prohibited or restricted.
- d) maintain an open dialogue with residents and concerned groups regarding present and future dog management issues.
- e) reduce the risk to the community from anti-social and straying dogs through education, routine patrols, and the prompt investigation of concerns and complaints of dog-related issues. Where appropriate, enforcement provisions of the *Dog Act 1976* (as amended) may be utilised to penalise breaches of those statutes.

#### Policy Scope

In accordance with the *Dog Act 1976 (as amended)*, the Town has the responsibility for ensuring that dog owners either domiciling or exercising their dogs within the Town of East Fremantle are compliant with the *Dog Act 1976 (as amended)*.

Ranger Services has the primary responsibility for monitoring and enforcing of the *Dog Act 1976 (as amended)*.

The Town acknowledges that dog ownership provides many benefits for those involved, including physical health associated with their exercise, companionship, responsibility related to the care and welfare of the animal, and the opportunity to interact socially with other dog and pet owners.

Equally, there is the potential for problems with straying or poorly socialised dogs and irresponsible owners who fail to properly train, control, or care for their pets, including appropriately disposing of waste.

To achieve this, the Town will:

- a) liaise with the community and interest groups to ensure that current declared dog exercise areas, including off-lead and beach areas, are appropriate to the needs of dog owners and are maintained in a fit state for the declared use.

### **Nuisance Dogs**

The Town recognises the health implications the community is exposed to by dogs creating a nuisance by barking inappropriately. When a formal complaint is lodged the Town will investigate the matter in a timely manner and strive to have the matter resolved within six weeks.

The process will be:

- streamlined and focused on early resolution; educative to both the dog owner and the complainant.
- open, transparent and fair to all parties involved; and conducted within the provisions of the *Dog Act 1976* (as amended).

Where there is evidence that a nuisance dog complaint is justified, the Town will issue the owner of the dog with an abatement notice. This presents the owner with a realistic definite timeline in which to take action to abate the nuisance.

If requested, the Town will provide advice as to corrective measures that may be employed, but it remains the owner's responsibility to determine and implement the necessary corrective action.

Where the nuisance has not been abated after the abatement period, the Town may issue an Infringement Notice. In the case of continued nuisance, the Town may refer the matter to the Courts for a Magistrate to determine. In these cases, the resolution date will be determined by the Court.

### **Dangerous Dogs**

To reduce the risk to the community, the Town will as a matter of urgency investigate and act upon all incidents and allegations of injury and/or harassment caused by dogs. Should such an incident result in a serious injury, the dog may be declared a Dangerous Dog, or may be destroyed.

All commercial security/guard dogs (as defined in the Act) are declared to be a Dangerous Dog.

Where a dog is declared to be a dangerous dog pursuant to the *Dog Act 1976* (as amended), Ranger Services will monitor the property where the dog is domiciled and ensure the property and are owner complies with the relevant provisions of the *Dog Act 1976* (as amended).

Dangerous dogs must be micro-chipped, and must wear an approved advisory collar at all times.

When in a public place the dog must be muzzled and on a lead, even when in an off-lead area.

When not in a public place the dog must be housed in an enclosure that complies with the prescribed requirements. Approved warning signs must be displayed at every entrance to the property.

Further information regarding dangerous dogs is contained within the Town's Policy 1.2.3 Dangerous Dog.

## **Dog Registration**

The registration of dogs has benefits to both the Town and the community. Fees and charges are applied to dog management, permitting the Town to provide a safe and pleasant environment, free of the negative impacts of dogs in the community. Dogs wearing a valid registration tag can quickly be returned to the owner if they accidentally stray. In most cases when Ranger Services finds a lost registered dog, it is directly returned to its owner.

All dogs over three months of age must be registered. Notwithstanding the Town's education and enforcement measures, it is the owner's responsibility to ensure their dog is registered. The Town will maintain a register of all dogs housed within the municipality, and will endeavour to ensure that all eligible dogs are registered.

To achieve this objective the Town will conduct a registration renewal campaign each year by:

- a) forwarding renewal letters to owners of all currently registered dogs;
- b) placing notices through written and digital media; and
- c) conducting an audit of the owners who have failed to re-register their dogs.

The Town will:

- monitor dogs in public places to ensure they are wearing a collar with a valid registration tag.
- ensure that any unregistered dog found at large is registered by the owner before being returned.
- undertake regular patrols of the municipal area and compare evidence of dog ownership against the dog register.

Pro rata adjustment of the registration fee applies within a registration period for:

- the voluntary initial registration of a dog that reaches six months of age;
- the voluntary initial registration of a dog that is newly housed within the municipality, to which the previous paragraph does not apply;
- the de-sexing of a dog; and
- the death of a dog, except where it has been destroyed following an attack on a person or animal, or at the direction of Council.
